Product Description	A handheld pressure cleaning machine with lithium battery and charging cable.
Country of Origin	China
Counterfeit	Unknown
Risk Level	High
Risk Type	Fire
Risk Description	<p>The product presents a high risk of fire as it is insufficiently earthed. The plug has no fuse and therefore no protection under fault conditions such as a short circuit or an overload. The plug could therefore explode from the wall causing a fire. Additionally, the plug did not meet the dimensional requirements of BS 1363 as Live and Neutral pins less were than 9.5mm from periphery of engagement surface. This may result in electric shock or fire when inserting or removing the plug from the socket. Some of the required documentation and markings were not present.</p> <p>The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016 or the Plugs & Sockets (Safety) Regulations 1994.</p>
Corrective Measures	The import has been rejected at the border and destroyed.
