

1. Constitution

The Health & Safety Committee is constituted as a Committee of the Board of Gov Facility Services Ltd (GFSL).

2. Membership

- a. The committee shall comprise at least three members, two of whom shall be independent non-executive directors. The Operations Director, Health & Safety Manager and Chief Engineer, where appointed, shall also be members.
- b. Appointments to the committee are made by the board on the recommendation of and in consultation with the chair of the Health & Safety Committee and shall be for a period of up to three years which may be extended for up to two additional three-year periods, provided members (other than the chair of the board, if they are a member of the committee) continue to be independent.
- c. Only members of the committee have the right to attend committee meetings. However, a standing invitation is extended to the Chief Executive Officer, Change & Transformation Director, Soft Services Manager, Head of Projects and Regional Area Directors. Other guests and external advisers may be invited to attend for all or part of any meeting, as and when appropriate, at the direction of the Chair.
- d. The board shall appoint the committee chair who shall be an independent non-executive director. In the absence of the committee chair and/or an appointed deputy, the remaining members present shall elect one of themselves to chair the meeting who would qualify under these terms of reference to be appointed to that position by the board. The chair of the board shall not be chair of the committee.

3. Secretary

The Company Secretary or their nominee shall act as the secretary of the committee and will ensure that the committee receives information and papers in a timely manner to enable full and proper consideration to be given to the issues.

4. Quorum

The quorum necessary for the transaction of business shall be three.

5. Frequency of meetings

The committee shall meet at least four times a year and otherwise as required.

6. Notice of meetings

- a. Meetings of the committee shall be called by the secretary of the committee at the request of the committee chair or any of its members.

HEALTH & SAFETY COMMITTEE
TERMS OF REFERENCE

- b. Unless otherwise agreed, notice of each meeting confirming the venue, time, and date together with an agenda of items to be discussed, shall be forwarded to each member of the committee and any other person required to attend no later than five days before the date of the meeting. Supporting papers shall be sent to committee members and to other attendees, as appropriate, at the same time.

7. Minutes of meetings

- a. The secretary shall minute the proceedings and resolutions of all committee meetings, including the names of those present and in attendance.
- b. Draft minutes of committee meetings shall be circulated to all members of the committee. Once approved, minutes should be circulated to all other members of the board and the company secretary unless, exceptionally, it would be inappropriate to do so.

8. Duties

The Health & Safety Committee has been established to assist the Board in fulfilling its obligations in overseeing and assuring the health & safety framework and management systems that enhance clarity around roles, accountability and responsibility throughout the organisation. It will do that through monitoring the Company's compliance with the approved Health and Safety policy and report regularly to the board.

In particular the committee shall review, advise and challenge where necessary:

- a. Compliance of processes by the Company with Health and Safety legislation
- b. That relevant company processes are continually improving and align with best practice
- c. The holistic outputs of accident/incident investigations and that all of the appropriate learnings are being captured and effectively utilised to improve performance
- d. The development of a Health and Safety culture with regard to performance, learning, and underlying values.
- e. Health and Safety issues that may have strategic, business, and reputational implications for the Company, MOJ and HMPPS and to recommend appropriate measures and responses
- f. Effectiveness of communication of policies, procedures, and H&S arrangements throughout the business.
- g. That internal control mechanisms are operating effectively
- h. Whether suitable, sufficient and effective staff wellbeing plans are in place, together with appropriate metrics
- i. That suitable and sufficient arrangements, and policies are in place to deal with critical incident management and that these compliment business continuity arrangements.
