**Subject:** Land to west of Thaxted Road Saffron Walden

[REDACTED]

REF: land to west of Thaxted Road Saffron Walden Essex S62A/2024/0051.

Please note with reference to the plan for this proposed development with regard to the cycling and walking routes on this site, that the route is shown as cutting through the tree line as exists, and creates a thoroughfare into The Glebe; The Glebe being adjacent. The piece of land that this is proposed to cut through is the allocated car parking space for Glebe residents, and is always in use, and has been since the construction of the Glebe houses.

Therefore I would ask that this ill considered aspect be refused.

Kind regards,

C.W.Russell
