2 COMMENCEMENT AND DURATION

- 2.1 The Agreement Period will commence on the Agreement Date and expire or terminate on the earlier of:
 - 2.1.1 the Expiry Date; or
 - 2.1.2 the Termination Date.

3 SERVICE DELIVERY

- 3.1 The Services to be delivered under this Agreement are those as set out in Schedule 2 (Specification & Monitoring). The detailed requirements in respect of the Services are also set out in the Funding Rules as amended from time to time by the Department and which form part of the Terms and Conditions of this Agreement.
- 3.2 The Provider must deliver the Services in accordance with this Agreement including the Specification, the Funding Rules and Policies as amended from time to time by the Department. The Funding Rules and Policies are deemed to form part of the Terms and Conditions of this Agreement as if they were set out within it.

- 3.6 The Department will monitor the performance of the Provider in accordance with the Apprenticeship Accountability Framework. An outline of the Apprenticeship Accountability Framework is set out in Annex 1 of the Apprenticeship Carry-in Specification & Monitoring Schedule of this Agreement.

4 PAYMENT, FUNDING AND AUDIT

4.1 Payment, Funding and Audit provisions

- 4.1.1 Subject to the Terms and Conditions of this Agreement, the Department agrees to pay the Provider the amounts of Funding set out in Schedule 3 (Payment) of this Agreement.
- 4.1.2 The Provider must use the Funding solely for the purpose of delivering the Services as set out in this Agreement.
- 4.1.3 The payment of Funding by the Department will be without prejudice to any claims or rights, which the Department may have against the Provider and will not constitute any admission by the Department as to the performance by the Provider of its obligations under this Agreement. Prior to any such payment of Funding, the Department will be entitled to make deductions or deferrals in respect of any disputes or claims whatsoever the amounts of which have been determined or agreed, with or against the Provider, arising from this Agreement or any other agreement between the Provider and the Department.
- 4.1.4 The Department shall be entitled to terminate, pursuant to Clause 33.3.10 of this Agreement on written notice if the Provider does not recruit and/or data returns reveal that no Learners have been enrolled for the Funding Year to which this Agreement relates. Where the Department terminates the Agreement under this Clause 4.1.4 the Department will withdraw the allocation of Funding for the Funding Year and will take action to recover Funds where payments have already occurred
- 4.1.5 Where the Department identifies errors which it deems to be material in the data that the Provider is required to provide under the Agreement to support the payment of Funding, the Department reserves the right at its absolute discretion to require the Provider at the Provider's cost to procure an independent 100% audit of all or part of the Services by a deadline specified by the Department and/or to require the Provider to repay Funding

equivalent to the full amount of the Funding that has been wrongly claimed or paid. If only a sample of the Services has been audited, the Department reserves the right to calculate an error rate based on the said sample and claim repayment from the Provider of an extrapolated amount based on the error rate identified and the total value of the Funding paid to the Provider under this Agreement.

- 4.1.6 Without prejudice to any other provisions in this Agreement, at the Department's discretion, such amounts as are identified as being recoverable under Clause 4.1.5, may be recovered by making adjustments to data submitted by the Provider under the Agreement, or by raising an invoice for payment by the Provider, or by making deductions from future payments due to the Provider under the Agreement. Failure to settle such amounts by the Provider will constitute a breach of agreement. The decision of the Department as to the amount of recovery under this Clause 4.1 (Payment, Funding and Audit provisions) is final.
- 4.1.7 Where the Department, in accordance with Clause 4.1.5, identifies errors it may at its discretion review the Provider's controls and processes to gain assurance the errors will not occur again. Where further assurance work is required this will be at the Provider's cost (or the Department will procure and recharge to the Provider at its sole discretion). Where a full funding audit results in a "qualified" rating this will constitute a breach of agreement.
- 4.1.8 The Department may implement a reduction in funding as set out in the Funding Rules through a notification and not a variation pursuant to Clause 42 (Amendments to this Agreement).
- 4.1.9 Where the Department identifies that the allocated Funding has been miscalculated and that the Provider has been overpaid as a result, the Department will notify the Provider in writing of the amount of the overpayment, the date when the Department will seek to recover the Funding and the method of recovery such as being through an invoice or through setting off the overpayment against future payments of the Funding.
- 4.1.10 If the Provider wants to make representations in relation to the notification it received in accordance with Clause 4.1.9, the Provider must put them in writing within 5 Working Days of the date the notification is received from the Department. The Provider may make representations to the Department where it has incurred in good faith costs or liability in excess of the amount of allocated Funding that the Department has now notified as being the correct amount of Funding that the Provider should have been allocated.
- 4.1.11 The Department will consider any representations made by the Provider in accordance with Clause 4.1.10 and issue the Provider with written notification of its final decision including the amount

of overpayment of Funding to be repaid, the date when the Department will recover the Funding and the method of recovery. The Department will also set out the basis on which it has made its decision and shall include an amended Schedule 3 (Payment) setting out the corrected Funding allocation.

- 4.1.12 The decision of the Department as to the amount of recovery of Funding that is due to it from the Provider is final.
- 4.1.13 All payments by the Department will be made via BACS.

 - (i) details of the steps it is taking to address the Occasion of Tax Non-Compliance and to prevent the same from recurring, together with any mitigating factors it considers relevant; and

- 5.1.6 Where the Provider is providing the Services to Learners claiming out of work benefits, it must provide data to the Secretary of State with responsibility for unemployment or their nominated representative in accordance with the requirements notified to the Provider. Failure to transmit complete and accurate data under this Clause 5 will constitute a breach of agreement and may result in payments for this part of the Services being suspended and/or withdrawn in accordance with Clause 32 (Withholding, Suspension and Repayment of Funding) and/or termination under Clause 33 (Termination).

- 5.2.2 The Provider must report new Learner starts within 2 months of the Learner starting, or within 3 months of the Learner finishing all withdrawals and achievements. The Provider must report all changes by the final collection of the Funding Year. Failure to report withdrawals by this time will result in the recovery of Funding.

The funding claim must be submitted as detailed in the guidance [Individualised Learner Record \(ILR\) technical documents, guidance and requirements \(submit-learner-data.service.gov.uk\)](https://submit-learner-data.service.gov.uk). The Provider must check the accuracy of the submissions on the EAS via the Submit Learner Data service and any errors must be corrected immediately. All submissions must be supported by evidence. The EAS should also be used to repay Funding claimed in error during the Funding Year. The Provider must claim or repay funding via the EAS as set out in the EAS guidance: [Earnings adjustment statement \(EAS\) - GOV.UK \(www.gov.uk\)](https://www.gov.uk) as updated and amended from time to time.
