JUDGMENT

Settlement terms having been agreed between the parties, by consent the hearing is adjourned for implementation of the terms of settlement by 30 August 2024.

The parties may write in to the tribunal on or before 14 September 2024 to say that the terms of settlement have not been implemented and the claim should not be dismissed. Unless such an application is made by that date the claimant consents to the claim being treated as withdrawn and it is therefore dismissed with effect from that date.
