Permission is refused for the following reasons:

- 1 The scheme of development conflicts with ULP Policies S1, ENV1, ENV3, GEN1, GEN2, GEN8 Essex Design Guide and the NPPF, as the design, layout, scale and appearance of the development is considered inappropriate in terms of the character of the site and surrounding area. In addition, the development would erode a distinctive protected open space of significant importance to the character of this area of Saffron Walden, as well as the conservation area and the locally listed school buildings.
- 2 The submitted layout plans indicating the proposed sports uses and activities are located such that the immediate environs of the new residential properties, will incur, at close quarters, significant disturbance from noise, floodlighting, parking as well as the general coming and going of visitors to the facilities which would be in conflict with ULP Policies GEN2 and GEN4, and the NPPF.

- 3 The proposal is not considered to represent sustainable development in the context of Paragraph 8 of the NPPF, as it cannot show that the economic, social and environmental aspects of the development are satisfied in a positive and beneficial way. The development scheme as submitted, will involve a detrimental impact on the conservation area, the loss of protected playing fields and sports facilities and the locally listed school buildings. Paragraph 11 NPPF, requires full assessment of the benefits that will accrue from the development to show that it will result in a positive contribution. The loss of the protected sports fields, the impact on nearby locally listed buildings and the conservation area would outweigh the benefits of the scheme, especially with limited level of mitigation being proposed. Notwithstanding the fact that the council does not have a 5 year housing supply at present, the type of housing being proposed is not compliant with the housing officers requirements in terms of mix, layout, scale and design. This is a further significant issue that weighs against the development of the site and helps tilt the balance in the consideration of para 11, NPPF. The proposed development is therefore contrary to the NPPF and Local Plan Policies S1, LC1, ENV1 and GEN2.
  
- 4 The proposal does not show that the development of this site would involve a positive contribution to bio-diversity and protected species in the local area, which is in conflict with Local Plan Policy GEN7 and the NPPF.
  
- 5 The planning application does not include a health impact assessment (HIA) or propose any mitigation of the healthcare impacts arising from the proposed development, without this detail and assessment the application cannot be supported. This is contrary to Local Plan Policy GEN6
  
- 6 The applicant has not established that this site is redundant in terms of its longstanding sports use, nor has it been shown that there is an excess of sports facilities and playing fields similar to the application site, consequently the loss of this open space area is unacceptable and against UDP Policy LC1.
  
- 7 The 2005 Local Plan Policy ENV1 specifically provides that Outline Applications for development within Conservation Areas will not be considered, this application incorporates the largest part of the site as an outline proposal which is unacceptable without detailed information.
  
- 8 The 2005 Local Plan Policy ENV1 specifically provides that Outline Applications for development within Conservation Areas will not be considered, this application incorporates the largest part of the site as an outline proposal which is unacceptable without detailed information.

In determining this application, the Local Planning Authority had regard to the following Development Plan Policies:

**Notes:**

0      Appeals to the Secretary of State

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an ENFORCEMENT NOTICE, if you

want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.

If an ENFORCEMENT NOTICE is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months [12 weeks in the case of a householder appeal] of the date of this notice, whichever period expires earlier.

If this is a decision to REFUSE planning permission for a HOUSEHOLDER (HHF) application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

If this is a decision to refuse planning permission for a MINOR COMMERCIAL application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

If this is a decision to refuse express consent for the display of an ADVERTISEMENT, if you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of receipt of this notice.

If you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice (for those not specifically mentioned above).

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>

If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning authority and Planning Inspectorate ([inquiryappeals@planninginspectorate.gov.uk](mailto:inquiryappeals@planninginspectorate.gov.uk)) at least 10 days before submitting the appeal. Further details are on GOV.UK <https://www.gov.uk/government/collections/casework-dealt-with-by-inquiries>
