The application to convert a former carpet S62A/2024/0056 and site address, 1 Repton Road, Brislington, Bristol, BS4 3LS,

I do not support this application as this building occupies a prominent and important site in our local shopping area. I believe that the loss of this commercial space would have a detrimental impact on the long term viability of Sandy Park Road to remain an attractive retail area with a range of units for future occupiers.

I recognise there is a housing crisis and I support several large scale schemes in Brislington West, such as Bath Road, Castle Court, John Peer and Flowers Hill, which will deliver hundreds of new homes in our area. However, these new residents will need somewhere to shop and so it is important to safeguard our key shopping area.

kind regards
