Product Description	A white and grey baby walker seat with multiple toy elements including electronic buttons and removable parts.
Country of Origin	China
Counterfeit	Unknown
Risk Level	High
Risk Type	Injuries
Risk Description	<p>The product presents a high risk of injuries as it failed dynamic stability testing. In the rearward position, the baby walker left the test surface and overturned when certain mass was applied. This may result in the walker tipping over with a child inside, causing them to fall and injure themselves. Additionally, there are screw holes present under the toy element of the walker which were identified as being too small. This may lead to finger entrapment. Some of the required instructions for use, documents and markings were not present.</p> <p>The product does not meet the requirements of the General Product Safety Regulations 2005</p>
Corrective Measures	The import has been rejected at the border.
