Product Description	A black and turquoise cordless blower powered by a 20v lithium-ion battery. Includes a battery charger.
Country of Origin	China
Counterfeit	No
Risk Level	High
Risk Type	Fire
Risk Description	<p>The product presents a high risk of fire as the transformer was of a poor build quality and the charger featured poor quality soldering with wires soldered directly to the printed circuit board (PCB). The primary and secondary windings on the transformer were found to be touching, which may result in a large current flowing between the coils that damages the transformer. This may cause the transformer to overheat and ignite. Some of the required documentation and markings were not present.</p> <p>The product does not meet the requirements of the Supply of Machinery (Safety) Regulations 2008.</p>
Corrective Measures	The import has been rejected at the border.
