Introduction

1. This document provides a breakdown of fees for data matching undertaken as part of the National Fraud Initiative (NFI).
2. The fees set out in this document cover charges for all non-public sector participants, including private sector organisations that choose to submit data to the NFI for matching.
3. Fees scales include charges for a range of data matching options across different NFI products.
4. The NFI is not deemed a vatable charge by HMRC so VAT will not be levied.
5. Please contact nfiqueries@cabinetoffice.gov.uk if you require any further information on fees
