## **APPLICATION OF THE APPROVED DOCUMENTS**

4. The changes made to the Approved Documents only apply to buildings and building work in England.

## **TRANSITIONAL ARRANGEMENTS**

6. However, the 2019 edition incorporating the 2020, 2022, 2025 and 2026 amendments will continue to apply where a building notice or an initial notice has been given to, or a building control approval application with full plans made to, the relevant authority before 2 September 2029 and either the building work to which it relates:
  - a. has started and is sufficiently progressed before that day; or
  - b. has started and is sufficiently progressed within the period of 6 months beginning on that day.

Note that 'building notice', 'initial notice' and 'building control approval application with full plans' have the same meanings as in the Building Regulations 2010.

7. For the purpose of the amendments highlighted above, building work is to be regarded as 'sufficiently progressed':

  - c. where the building work consists of a material change of use of a building, when work to effect that change of use has started.
