### Issue

This Regulatory Notice (RN) has been issued to ensure the Remotely Piloted Air System (RPAS) Regulatory Articles (RAs) and manual: remain aligned with Regulated Community changes; remain coherent with the rest of the MAA Regulatory Publications (MRP); remove potential confusion; are a step forward; are leaner; apply learning; replace outdated terminology; are kept up-to-date with changes to, and new, technology; and incorporate lived experience.

### Aim

This RN is aimed at the RPAS Regulated Community.

### Implementation

This RN is effective from the date of publication and will remain valid until 30 November 2024.

## **MAA Request to the RPAS Regulated Community**

As part of ongoing work to improve, simplify, clarify, etc the RPAS Regulatory requirements, the MAA is issuing this RN to request that the RPAS Regulated Community provide the MAA with any suggestions for improvement either by a [Request For Change](#) or email to [DSA-MAA-MRPEnquiries@mod.gov.uk](mailto:DSA-MAA-MRPEnquiries@mod.gov.uk).

### **Queries**

Any observations or requests for further guidance on the content of this RN should be submitted by email to [DSA-MAA-MRPEnquiries@mod.gov.uk](mailto:DSA-MAA-MRPEnquiries@mod.gov.uk).
