Specialist Archaeological Advice

Dear Planning,

UTT/24/1958/PINS Land Adj. To Village Hall, East Of Cambridge Road, Ugley

Thank you for consulting the Historic Environment Advisor on the above application at Land Adj. To Village Hall, East Of Cambridge Road, Ugley.

The proposed development lies at a distance from the historic settlement of Ugley Green and although there are known archaeological deposits identified from cropmark evidence to the north west, north and south of the proposed development site this application is unlikely to directly impact these deposits (EHER9845, 46546, 47988).. Therefore, no archaeological recommendations are being made on this application.

If you have any questions, please do not hesitate to contact me.

Yours sincerely

Katie Lee-Smith

Historic Environment Consultant
