All correspondence and enquiries relating to the inquiry should be directed to Helen Wilson using the above contact details.

The Programme Officer's website will provide up to date information regarding the inquiry.

Publication of objections

In formally confirming the appointment of the Inquiry Chair and Programme Officer the MMO is required to make available copies of correspondence relating to the objections to the Proposed Order submitted to us during the consultation period which have not been withdrawn by objectors.

The Programme Officer will publish these documents on their website with appropriate redactions to ensure compliance with data protection legislation. These documents will be published on the Programme Officer's website <https://www.hwa.uk.com/projects/proposed-port-of-london-authority-harbour-revision-order-inquiry/>. A list of the documents published will be provided by the Programme Officer once available.

Should you have any questions relating to the publication of these documents please contact Kristina Benson, Harbour Orders case manager, via email: kristina.benson@marinemanagement.org.uk or by phone: +44 7385 024581.

Next steps

The Programme Officer will be in contact with all objectors and the PLA in due course to confirm the next procedural steps in relation to the inquiry including confirming a date for a pre-inquiry meeting with the Inquiry Chair. The purpose of the pre-inquiry meeting is for the Inquiry Chair to set out and agree the procedure for the inquiry.

The date and venue for the inquiry itself will be formally confirmed by the Programme Officer following the pre inquiry meeting. It is anticipated that the inquiry is likely to be scheduled to take place in February 2025 although this is subject to formal confirmation and may change.

Yours sincerely

Andy Kerrigan
