Duty Solicitor Postcode Tool

2025 Standard Crime Contract

Annex D of the Application Guide

September 2024

Introduction

- 1.1 The Duty Solicitor Postcode Tool sets out the Duty Scheme(s) that an organisation is eligible to join under the 2025 Standard Crime Contract. Eligibility is determined by the geographical location of the organisation's Office(s).

How to use the Postcode Tool

- 1.2 Organisations **must** input the full postcode for their Office(s) into the 'Find your local council' tool on the gov.uk website (<https://www.gov.uk/find-local-council>) **to confirm whether the Office(s) is located in a London borough or not.**
- 1.3 Where an Office *is* located in a London borough, go to the '[Office\(s\) in a London borough](#)' section of the Postcode Tool (page 2).
- 1.4 Where an Office *is not* located in a London borough, go to the '[Office\(s\) not in a London borough](#)' section of the Postcode Tool (page 9).
- 1.5 The London boroughs are listed alphabetically in the first column of the table in the '[Office\(s\) in a London borough](#)' section of the Postcode Tool (page 2).

Office(s) in a London borough

- 2.1 For Offices located in a London borough eligibility for London Police Station and magistrates' court Duty Schemes is determined by the borough in which the Office is located. An Office is only eligible for the London police station and magistrates' court Duty Schemes listed against an individual London borough in the table below. The London boroughs are listed alphabetically in the first column of the table.
- 2.2 Organisations may join all London Police Station Duty Schemes listed against the borough in which their Office(s) is located. However, Duty Solicitors Engaged by an organisation may only serve on a maximum of two of the London magistrates' court Duty Schemes listed against the borough in which their Office is located.
- 2.3 A Duty Solicitor may only serve on one of the four options for the Westminster magistrates' court scheme. The options reflect that for this magistrates' court Duty Scheme an organisation may choose whether a Duty Solicitor Engaged by them serves on its Extradition Rota and on its associated Inner London Youth Court scheme. For those Youth Courts not expressly listed, membership of the magistrates' court Duty Scheme will be taken to include the associated Youth Court.
- 2.4 An Office in a London borough may also be eligible for some non-London Duty Schemes. To find out, go to the '[Office\(s\) not in a London borough](#)' section of the Postcode Tool (page 9). Where the postcode sector for an Office in a London borough is not listed, the Office is not eligible for non-London Duty Schemes.

Office(s) not in a London borough

- 3.1 For Offices not located in a London borough, eligibility for Duty Schemes is determined by the postcode sector in which the Office is located. The postcode sector means the first half of the postcode which identifies the postcode area and district and the first number of the second half of the postcode, for example, the postcode for the LAA Nottingham Office is NG2 1AW, and therefore its postcode sector is NG2 1. An Office is only eligible for Duty Schemes listed under an individual postcode sector.
- 3.2 The table below lists the postcode sectors in alphabetical order and sets out the Duty Scheme(s) for which Offices in those postcode sectors are eligible. Where a postcode sector is eligible for more than one Duty Scheme, the postcode sector will be repeated against each Duty Scheme eligible for that postcode sector (which may go onto a consecutive page).
- 3.3 An organisation may join all Duty Schemes listed against the postcode sector in which their Office(s) is located except where a choice is listed against the postcode sector i.e. "x duty scheme **or** y duty scheme". The organisation may then choose which of these Duty Schemes to join but cannot join both.
