

2025 CRIME CONTRACT DUTY SCHEME LIST

ANNEX C OF THE APPLICATION GUIDE

Below are lists of Duty Schemes and associated Rotas currently in operation.

The arrangements outlined below reflect how Schemes and Rotas currently operate. The lists below are for illustrative purposes only, and the LAA cannot guarantee that the operation of courts and/or custody suites under the Contract will be as set out below.

The LAA will monitor the operation of Schemes and may, by prior consultation with relevant providers of affected Schemes, change the postcode boundaries of a Scheme if we reasonably consider that such a change is necessary resulting from matters such as, but not limited to, a magistrates' court closure or a Police Station closure (whether temporary or permanent), changes in court listing procedures or reduction in membership of a Scheme.

Current Duty Solicitor rotas can be found here:

<https://www.gov.uk/guidance/duty-solicitors-rotas-information-and-guidance>

The above includes a link to the rotas on Google Drive in which the rotas are individually listed. The name of the rota(s) on Google Drive for each Duty Scheme is listed in the last column of the tables below.
