Did the union hold any ballots in respect of industrial action during the return period?
If Yes How many ballots were held:
For each ballot held please complete the information below:
Ballot 1
Number of individual who were entitled to vote in the ballot
Number of votes cast in the ballot
Number of Individuals answering "Yes" to the question
Number of individuals answering "No" to the question
Number of invalid or otherwise spoiled voting papers returned
1-3 should total "Number of votes cast"
Were the number of votes cast in the ballot at least 50% of the number of individuals who were entitled to vote in the ballot
Does section 226(2B) of the 1992 Act apply in relation to this ballot (see notes 76-80)?
If yes, were the number of individuals answering "Yes" to the question (or each question) at least 40% of the number of individuals who were
entitled to vote in the ballot
Ballot 2
Number of individual who were entitled to vote in the ballot
Number of votes cast in the ballot
Number of Individuals answering "Yes" to the question
Number of individuals answering "No" to the question
Number of invalid or otherwise spoiled voting papers returned
1-3 should total "Number of votes cast"
Were the number of votes cast in the ballot at least 50% of the number of individuals
who were entitled to vote in the ballot
Does section 226(2B) of the 1992 Act apply in relation to this ballot (see notes 76-80)?
If yes, were the number of individuals answering "Yes" to the question (or each question) at least 40% of the number of individuals who were
entitled to vote in the ballot
Dallato
Ballot 3 Number of individual who were entitled to vote in the ballot
Number of votes cast in the ballot
Number of Individuals answering "Yes" to the question
Number of individuals answering "No" to the question
Number of invalid or otherwise spoiled voting papers returned
1-3 should total "Number of votes cast"
Were the number of votes cast in the ballot at least 50% of the number of individuals who were entitled to vote in the ballot
Does section 226(2B) of the 1992 Act apply in relation to this ballot (see notes 76-80)?
If yes, were the number of individuals answering "Yes" to the question (or each question) at least 40% of the number of individuals who were entitled to vote in the ballot

Notes to the accounts

(see notes 82 and 83)

All notes to the accounts must be entered on or attached to this part of the return.

See Appendix 2	

TRADES UNION CONGRESS

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2023

1 ACCOUNTING POLICIES

a Basis of accounts

The accounts have been prepared under the historical cost basis of accounting and in accordance with applicable Accounting Standards, including Financial Reporting Standard 102 (FRS 102), 'the Financial Reporting Standard in the UK and Republic of Ireland'. These financial statements are presented in pounds sterling (GBP), as this is the currency in which the majority of the TUC's transactions are denominated. They comprise the financial statements of the TUC for the year ended 31 December 2023 and are presented to the nearest pound.

b Going concern

The General Council have reviewed the TUC's financial performance and reserves position. We have adequate financial resources and are well placed to manage the business risks. Our planning process, including financial projections, has taken into consideration the current economic climate and its potential impact on the various sources of income and planned expenditure. The General Council have, at the time of approving the financial statements, a reasonable expectation that the TUC has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

c Affiliation fee Income

Affiliation fees are shown in the accounts on the basis of those amounts collected and due from members in respect of the year under review.

d Property rental and service charges

Rental income is recognised on a straight line basis over the lease term, taking into account any rent free period at the commencement of the lease.

e Investment income

Dividends from investments are recognised when entitlement to receive payment is established.

f Donations and fees income

Donations and fees income is recognised in the accounts on an accruals basis in accordance with the underlying conditions attached to it. Amounts relating to future periods are accounted for as deferred income within creditors. Government grants are recognised on the performance model, when the union has complied with any conditions attaching to the grant and the grant will be received. The grant in connection to the job retention scheme has been recognised in the period to which the underlying furloughed staff costs relate to.

g Tangible fixed assets and depreciation

Fixed assets are stated at a cost. Depreciation is provided on all tangible fixed assets on a straight line basis, at rates estimated to write off the cost, less estimated residual value, of each asset over its expected useful life.

Furniture and Fittings 10% per annum on cost as applicable

Equipment 20% - 50% per annum on cost as applicable

Motor Vehicles 25% per annum on cost

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

h Freehold property

Individual freehold properties are carried at current year value at fair value at the date of the revaluation. Revaluations are undertaken at the end of each reporting period to ensure the carrying amount does not differ materially from that which would be determined using fair value at the balance sheet date. Fair values are determined from market-based evidence normally undertaken by professionally qualified valuers.

TRADES UNION CONGRESS

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2023

i Investment property

Investment properties are carried at fair value determined on an annual basis by external valuers. Values are derived from the current market rents and investment property yields for comparable real estate, adjusted if necessary for any difference in the nature, location, or condition of the specific asset. No depreciation is provided. Changes in fair value are recognised in profit or loss.

j Operating leases

Rentals under operating leases are charged on a straight-line basis over the term of the contract.

k Investments

Investments held as fixed assets are stated at market value.

I Pension scheme

The Trades Union Congress Superannuation Society Limited pension scheme is a defined benefit scheme. The amounts charged to Statement of Comprehensive Income are the current service costs. Actuarial gains and losses are recognised immediately in the Statement of Comprehensive Income.

The assets of the scheme are held separately from those of the Trades Unions Congress in a separate trustee administered fund. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit method and a discounted rate equivalent to the current rate of return on high quality corporate bonds of equivalent currency and term to the scheme liabilities.

The preparation of financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the accounting policies selected for use by the union. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the consolidated financial statements are disclosed below. Use of available information and application of judgement are inherent in the formation of estimates. Actual outcomes in the future could differ from such estimates.

In preparing these financial statements, the following estimates and judgements have been made:

Investments

Quoted investments are disclosed at mid-market values at the Statement of Financial Position date. Unquoted investments are disclosed at their original cost or, where available, at their estimated current value as estimated by an independent third party.

Defined benefit pension scheme

The cost of defined benefit pension plans are determined using actuarial valuations. The actuarial valuation involves making assumptions about discount rates, future salary increases, mortality rates and future pension increases. Due to the complexity of the valuation, the underlying assumptions and the long-term nature of these plans, such estimates are subject to significant uncertainty. After taking appropriate professional advice, management determines the appropriate discount rate at the end of each reporting period. This is the interest rate that should be used to determine the present value of estimated future cash outflows expected to be required to settle the pension obligations. In determining the appropriate discount rate, consideration is given to the interest rates of high-quality corporate bonds that are denominated in the currency in which the benefits are to be paid and that have terms to maturity approximating the terms of the related pension liability. Details of the assumptions used in the calculation of the value of the defined benefit pension scheme can be found in note 15.

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2023

Valuation of property

The TUC carries its property at fair value, with changes in fair value being recognised in the Statement of Comprehensive Income for the period in which they arise. Management review the valuation of the properties on an annual basis and, taking the market conditions into account, consider the values included in the accounts to be the fair value of the properties. Further detail of the current valuation of the property can be found in note 9.

Provisions for liabilities

Provisions for liabilities included at the year-end have been calculated using the best available knowledge at the time of preparing the financial statements, adjusted for information subsequently received. An element of estimation is therefore required when calculating the provisions.

31 December 2022	20,851	30,399	-	1,271	-	52,521

A charge was registered against the property on 28 March 2006 for £9 million in favour of the TUC Superannuation Society Limited.

A valuation of Congress House was undertaken at 31 December 2023 by Farebrother. The basis of the valuation was market value as defined by the RICS Valuation – Professional Global Standards 2022. The investment property element has been valued subject to the current lease terms in place and the freehold property element has been valued assuming full vacant possession.

	After five years	105	257
		2,294	4,734
		<u> </u>	

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2023

15. PENSION COSTS

The Trades Union Congress operates one defined benefit scheme in the UK which offers both pensions in retirement and death benefits to members. Pension benefits are related to the members' final salary at retirement and their length of service. Employer contributions to the scheme for the year beginning 1 January 2024 are expected to be £1.3m. The most recent formal actuarial valuation of the Scheme was as at 31 August 2022.

The major assumptions used by the actuary were (in nominal terms);

		At	At
		31.12.2023	31.12.2022
Rate of increase in salaries		4.20%	3.95%
Rate of increase in pensions in	n payment		
- RPI, capped at 2.5% per an	num	2.20%	2.30%
- RPI, capped at 5.0% per an	num	3.20%	3.20%
- RPI, 3% per annum minimu	m and 5.0% per annum maximum	3.65%	3.50%
Discount rate		4.80%	4.80%
RPI Inflation assumption		3.10%	3.20%
Revaluation in deferment*		2.60%	2.60%
Assumed life expectancies on	retirement at age 65 are:		
Retiring today	Males	87.40	87.50
	Females	89.50	89.60
Retiring in 20 years time	Males	89.30	88.80
	Females	91.00	91.10

^{*}Note that the revaluation of deferred pensions between leaving and retirement is subject to an underpin of 3% per annum

The assumptions used in determining the overall expected return of the scheme have been set with reference to yields available on government bonds and appropriate risk margins.

The amounts recognised in the balance sheet are as follows:	2023 £'000	2022 £'000
Present value of scheme liabilities	(97,775)	(90,367)
Fair value of scheme assets	117,935	113,938
Pension asset	20,160	23,571
	2023 £'000	2022 £'000
Reconciliation of opening and closing balances of the present value of the scheme liabilities		
Liabilities at beginning of year	(90,367)	(148,508)
Current service cost	(1,356)	(3,314)
Interest cost	(4,295)	(2,646)
Contributions by scheme participants	(545)	(514)
Actuarial (gain) / loss	(5,235)	61,053
Benefits paid	4,023	3,562
Liabilities at end of year	(97,775)	(90,367)

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2023

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE TRADES UNION CONGRESS FOR THE PERIOD ENDING 31 DECEMBER 2023

Opinion

We have audited the financial statements of the Trades Union Congress for the year ended 31 December 2023 which comprise the income and expenditure, balance sheet and related notes included within the AR21 as set out on pages 3 to 23 of the AR21. These financial statements have been prepared under the historical cost convention and the accounting policies set out therein.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of Trades Union Congress's affairs as at 31 December 2023 and of its transactions for the year then ended:
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
 and
- have been prepared in accordance with the requirements of the Trade Union and Labour Relations Act 1992.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the union in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the officers' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the union's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the officers with respect to going concern are described in the relevant sections of this report.

Other information

The officers are responsible for the other information contained within the annual report. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Trades Union and Labour Relations Act 1992 requires us to report to you if, in our opinion:

- proper accounting records have not been kept;
- a satisfactory system of control over its accounting records, cash holdings and receipts and remittances has not been maintained; or
- the financial statements are not in agreement with the accounting records and returns.

Responsibilities of officers

As explained more fully in the statement of officers' responsibility, the officers are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the officers determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

We have been appointed as auditor under section 33 of the Trade Union and Labour Relations Act 1992 and report in accordance with section 36 of that Act.

In preparing the financial statements, the officers are responsible for assessing the union's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the officers either intend to liquidate the union or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We identified the greatest risk of material impact on the financial statements from irregularities, including fraud, to be within the recognition of income and override of controls by management. Our audit procedures to respond to these risks included enquiries of management and the Executive Committee about their own identification and assessment of the risks of irregularities, sample testing on the posting of journals, reviewing accounting estimates for biases, reviewing regulatory correspondence and reading minutes of meetings of those charged with governance.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to union's members as a body. Our work has been undertaken so that we might state to union's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the union and the union's members as a body, for our audit work, or for the opinion we have formed.

Tina Allison Senior Statutory Auditor For and on behalf of Crowe U.K. LLP Statutory Auditor

London, United Kingdom

Membership audit certificate

made in accordance with section 24ZD of the Trade Union and Labour Relations (Consolidation) Act 1992

(See notes 97 to 103)

At the end of the reportign period proceding the one to which this audit relates was the total membership of the trade union greater than 10,000?

No

If "YES" please complete SECTION ONE below or provide the equivalent information on a separate document to be submitted with the completed AR21

If "NO" please complete SECTION TWO below or provide the equivalent information on a separate document to be submitted with the completed AR21

Membership audit certificate Section one

For a trade union with more than 10,000 members, required by section 24ZB of the 1992 Act to appoint an independent assurer

In the opinion of the assurer appointed by the trade union was the union's system for compiling and maintaining its register of the names and addresses of its members satisfactory to secure, so far as is reasonably practicable, that the entries in its register were accurate and up-to-date throughout the reporting period?

Yes / No

2 In the opinion of the assurer has he/she obtained the inforamation and explanations necessary for the performance of his/her functions?

Yes / No

If the answer to either questions 1 or 2 above is "NO" the assurer must:

- (a) set out below the assurer's reasons for stating that
- (b) provide a description of the information or explanation requested or required which has not been obtained
- (c) state whether the assurer required that information or those explanations from the union's officers, or officers of any of its branches or sections under section 24ZE of the 1992 Act
- (d) send a copy of this certificate to the Certification Officer as soon as is reasonably practicable after it is provided to the union.
