Inspector Z Raygen DipURP MRTPI has been appointed to determine the application.

Following a [procedural review](#) the application is to be determined on the basis of representations in writing as it does not raise issues which cannot be clearly understood from the written submissions. We'll update the procedure on the application website page shortly.

This means the Hearing which had provisionally been programmed for 31 October 2024 won't now be required.

The Inspector visited the site on 25 September 2024.

With regards to the information provided by the applicant on 20 September 2024, this will be added to the file and published on the application page. The relevant consultees will be given a period of 14 days to provide any comments on the additional information.

A certified copy of a signed and dated, completed obligation should be submitted to the Planning Inspectorate by 4 October 2024 in order for it to be taken into account in reaching a decision on the application.

Kind regards
Leanne
