Authorized Amendment
Summary / Overview of the amendment to explain/ensure that the reader understands: the rationale for the amendment; the major changes; and, importantly, the full context (including desired outcome) of the amendment.
The Regulated Community is reminded to check this amendment against any applicable AAMC, Waivers or Exemptions to ensure their ongoing validity.
A substantial rewrite to address the two recommendations within the AAIB report; Rec 1. Explicit detail of what information a pilot is expected to pass to a Controller when declaring an emergency. Rec 2. Encourage the use of checklists when managing an emergency. In addition, emergency information that used to be in RA 3261 has now been transferred across into RA 3311
