

Supporting information for application: use of inactivated bluetongue 3 vaccine

IMPORTANT NOTES (see also guidance notes on page 3)

Apply for your licence at [apply for an exemption from animal disease restrictions](#). Attach this document to your application.

- You need to save a copy of this form before you start completing it.
- Licences may be reviewed and revoked if area or premises restrictions change.
- The activity for which you require a licence must not take place until a licence is issued.
- You need to complete parts 1 and 2: incomplete forms will not be accepted.

Data protection

For information on how we handle personal data please go to www.gov.uk and search 'Animal and Plant Health Agency Personal Information Charter'.

WARNING

A person who knowingly makes a false statement or declaration in any material particular for the purpose of obtaining a licence under the Animal Health Act 1981 or an order made under it, is guilty of a criminal offence and is liable to be prosecuted and on conviction may face six months in prison and/ or an unlimited fine (England and Wales)/a fine not exceeding the statutory maximum (Scotland).

Guidance notes for completing the application for bluetongue 3 vaccination (when not in a high-risk county)

These notes are for information and some conditions may not be relevant to your application. For advice see the Defra website or contact the Animal and Plant Health Agency (APHA) Licensing Team on 03000 200 301.

General

This form allows you to seek to use the inactivated unauthorised bluetongue serotype 3 vaccines permitted by the Secretary of State for use under schedule 4 of the Veterinary Medicines Regulations 2013 (as amended).

You must complete all sections in parts 1 and 2. If you are completing the form by hand, use block capitals and black ink. Where possible, submit the application at least 7 days before the licence is required. If there are exceptional circumstances (for example, human safety or animal welfare is likely to be compromised by delay) please contact the APHA Licensing Team on 03000 200 301.

Part 1

Name of person requesting licence

The licence must be requested and signed by the person responsible for the activity. This does not necessarily mean the person who will use the licence, but the applicant will remain responsible for compliance with the licence conditions.

Details of person requesting licence

Include all contact details so that we can contact you if we need to clarify something.

Address of the premises where the activity will occur

Include the details of the premises where the activity will occur. We will determine what can and cannot happen based on this information. While a CPH number for this address is not essential, providing one might reduce the time it takes to process your application.

Details of the activity

You must give reasons why vaccination is required. Please be as detailed as possible in this section and include the number of animals and species to be vaccinated.

Part 2

If any part of the declaration is incomplete we will be unable to process your application.

Position: Owner of stock or premises, occupier of premises, farm manager, stock keeper.

For more guidance contact customeradvice@apha.gov.uk or your Local Disease Control Centre.

When complete

Once you've completed this form you need to begin an application for a specific licence to vaccinate your animals at [apply for an exemption from animal disease restrictions](#). You will need to upload this form (EXD700) as part of your application.

Guidance on specific fields within the 'apply for an exemption from animal disease restrictions' application:

- Origin address: input the address of the farm where the vaccination will be used.
- Destination address: input the address of the farm where the vaccination will be used.
- Type of movement: enter 'other'.
- Movement details: enter 'vaccination' and the species and number of animals to be vaccinated.
- Vet details: add the name and address of the prescribing vet.

Using and sharing your information

How we use your personal data is set out in APHA's [personal information charter](#) and [privacy notices](#).

APHA is an Executive Agency of the Department for Environment, Food and Rural Affairs and also works on behalf of the Scottish Government, Welsh Government and Food Standards Agency to safeguard animal and plant health for the benefit of people, the environment and the economy.
