

EMPLOYMENT TRIBUNALS

Claimant: Ms D Farr

Respondent: London Borough of Hammersmith and Fulham

JUDGMENT

The claims have been struck out under rule 37 of the Employment Tribunals Rules of Procedure 2013 on the grounds that they have not been actively pursued.

REASONS

1. Following the claimant's failure to attend the preliminary hearing on 16 May 2024 without notice or explanation, a strike out warning was sent to the claimant on the same date, in which the claimant was given an opportunity to make representations or to request a hearing by 30 May 2024, as to why the claims should not be struck out because they were not being actively pursued.
2. The claimant has failed to make representations in writing as to why this should not be done or to request a hearing. The claims are therefore struck out.
