The appointments will involve a time commitment of approximately 22 days per year, including 11 meetings. Remuneration for the role will be at a rate of up to £325 for the preparation required and attendance at each CHM meeting.

These appointments are made in accordance with the Code of Practice for Ministerial Appointments to Public Bodies, issued by the Commissioner for Public Appointments. Appointments are made on merit and political activity played no part in the selection process. However, in accordance with the original Nolan recommendations, there is a requirement for appointees' political activity (if any declared) to be made public. None have declared any political activity with the exception of Malcolm who has previously canvassed on behalf of a party/helped at elections. None hold other Ministerial public appointments.

Chair appointment to the NHS Litigation Authority

Mr Ian Dilks has been appointed as Chair of the NHS Litigation Authority (NHS LA), with effect from 1 April 2014 for a period of three years.

His appointment will involve a time commitment of 2 to 3 days per week. Remuneration for the role will be at a rate of £63,000 per annum.

This appointment is made in accordance with the Code of Practice for Ministerial Appointments to Public Bodies, issued by the Commissioner for Public Appointments. Appointments are made on merit and political activity played no part in the selection process. However, in accordance with the original Nolan recommendations, there is a requirement for appointees' political activity (if any declared) to be made public. Ian has declared no political activity and holds no other Ministerial public appointment.

Appointment of Chair of the Human Fertilisation and Embryology Authority and Chair of the Human Tissue Authority

Ms Sally Cheshire has been appointed as Chair of the Human Fertilisation and Embryology Authority (HFEA) with effect from 1 April 2014 for a period of three years. Her appointment will involve a time commitment of 2-3 days per week. Remuneration for the role will be at a rate of £47,360 per annum.

Ms Sharmila Nebhrajani has been appointed as Chair of the Human Tissue Authority (HTA) with effect from 1 April 2014 for three years. Her appointment will also involve a time commitment of 2-3 days per week and remuneration will be at a rate of £42,000 per annum.

These appointments are made in accordance with the Code of Practice for Ministerial Appointments to Public Bodies, issued by the Commissioner for Public Appointments. Appointments are made on merit and political activity played no part in the selection process. However, in accordance with the original Nolan recommendations, there is a requirement for appointees' political activity (if any declared) to be made public. Neither have declared any political activity.

Sally is also Chair of Health Education North West and Audit Chair at the Health Research Authority. Sharmila is also a Board Member and Chair of the Audit Committee of the Pension Protection Fund and Board member of the Parliamentary and Health Service Ombudsman.

Non-Executive appointment to Independent Reconfiguration Panel

Nicola Hayes has been re-appointed for a further term as a member of the Independent Reconfiguration Panel (IRP), with effect from 1 April 2014 for a period of two years.

Her appointment will continue to involve a time commitment of one to two days per month. Remuneration for the role will continue to be at a rate of £140 per day plus travel and subsistence expenses.

This appointment is made in accordance with the Code of Practice for Ministerial Appointments to Public Bodies, issued by the Commissioner for Public Appointments. Appointments are made on merit and political activity played no part in the selection process. However, in accordance with the original Nolan recommendations, there is a requirement for appointees' political activity (if any declared) to be made public. Nicola has not declared any political activity and she holds no other Ministerial public appointment.

Medical Director appointment to the Advisory Committee on Clinical Excellence Awards

Dr Mary Armitage has been appointed as the Medical Director of the Advisory Committee on Clinical Excellence Awards (ACCEA), with effect from 1 April 2014 for a period of three years.

Her appointment will involve a time commitment of 2 days per week. Remuneration for the role will be at a rate of £52,540 per annum.

This appointment is made in accordance with the Code of Practice for Ministerial Appointments to Public Bodies, issued by the Commissioner for Public Appointments. Appointments are made on merit and political activity played no part in the selection process. However, in accordance with the original Nolan recommendations, there is a requirement for appointees' political activity (if any declared) to be made public. Mary has declared no political activity and holds no other Ministerial public appointment.

Non-Executive Director appointments to the Health and Social Care Information Centre

Five new Non-Executive Directors have been appointed to the Health and Social Care Information Centre: Sir John Chisholm, Maria Goddard and Jan Ormondroyd for three years and Sir Nick Partridge and Sir Ian Andrews for two years from the 1 April 2014.

The appointments will involve a time commitment of two to three days per month. Remuneration for the roles will be at a rate of £7,883 per annum.

These appointments are made in accordance with the Code of Practice for Ministerial Appointments to Public Bodies, issued by the Commissioner for Public Appointments. Appointments are made on merit and political activity played no part in the selection process. However, in accordance with the original Nolan recommendations, there is a requirement for appointees' political activity (if any declared) to be made public. None of the appointees have declared any political activity and none hold any other Ministerial appointments.

John Harwood's term as Non-Executive Director (NED) responsible for chairing the Audit and Risk Committee of the Care Quality Commission (CQC) has been extended with effect from 4 March 2014 until 31 March 2014.

His appointment will continue to involve a time commitment of two-three days per month. Remuneration for the role will continue to be at a rate of £13,137 per annum.

This appointment was made in accordance with the Code of Practice for Ministerial Appointments to Public Bodies, issued by the Commissioner for Public Appointments. All appointments are made on merit and political activity played no part in the selection process. However, in accordance with the original Nolan recommendations, there is a requirement for appointees' political activity (if any declared) to be made public. John has not declared any political activity and holds no other Ministerial public appointment.

Non-Executive Director appointment to the NHS Business Services Authority

Anne Galbraith's term as Non-Executive Director (NED) of the NHS Business Services Authority (NHS BSA) has been extended with effect from 1 January 2014 until 31 March 2014 or until a new NED is appointment, whichever is sooner.

Her appointment will continue to involve a time commitment of two-three days per month. Remuneration for the role will continue to be at a rate of £7,883 per annum.

This appointment was made in accordance with the Code of Practice for Ministerial Appointments to Public Bodies, issued by the Commissioner for Public Appointments. All appointments are made on merit and political activity played no part in the selection process. However, in accordance with the original Nolan recommendations, there is a requirement for appointees' political activity (if any declared) to be made public. Anne has not declared any political activity.

Anne is also Chair of the Valuation Tribunal Service.

Non-Executive Member appointments to Public Health England

Poppy Jaman and Rosie Glazebrook have been appointed as non-executive members of Public Health England's Board, with effect from 26 March 2014 until 31 May 2017.

The appointments will involve a time commitment of two to three days per month. Remuneration for the roles will be at a rate of £7,883 per annum.

These appointments are made in accordance with the Code of Practice for Ministerial Appointments to Public Bodies, issued by the Commissioner for Public Appointments. Appointments are made on merit and political activity played no part in the selection process. However, in accordance with the original Nolan recommendations, there is a requirement for appointees' political activity (if any declared) to be made public. Neither have declared any political activity. Poppy holds no other Ministerial public appointment. Rosie is also a Member of the Human Tissue Authority.

Chair appointment to the Advisory Committee on Clinical Excellence Awards

Mr William Worth has been appointed as a Chair of the Advisory Committee on Clinical Excellence Awards (ACCEA), with effect from 1 April 2014 for a period of three years.

His appointment will involve a time commitment of 2 days per week. Remuneration for the role will be at a rate of £52,540 per annum.

This appointment is made in accordance with the Code of Practice for Ministerial Appointments to Public Bodies, issued by the Commissioner for Public Appointments. Appointments are made on merit and political activity played no part in the selection process. However, in accordance with the original Nolan recommendations, there is a requirement for appointees' political activity (if any declared) to be made public. William has declared no political activity and holds no other Ministerial public appointment.

The Board of the Office for Strategic Coordination of Health Research (OSCHR)

Dr Jeremy Farrar has been appointed as an Independent Member from 12 February 2014 to 11 February 2017.

There is no remuneration for this post which will involve a time commitment of up to 6 days per year.

Non-Executive Director appointment to NHS Blood and Transplant

Shaun Williams has been re-appointed for a further term as a non-executive director of NHS Blood and Transplant (NHSBT), with effect from 4 March 2014 for a period of three years.

His appointment will continue to involve a time commitment of 2 to 3 days per month. Remuneration for the role will continue to be at a rate of £7,883 per annum.

This appointment is made in accordance with the Code of Practice for Ministerial Appointments to Public Bodies, issued by the Commissioner for Public Appointments. Appointments are made on merit and political activity played no part in the selection process. However, in accordance with the original Nolan recommendations, there is a requirement for appointees' political activity (if any declared) to be made public. Shaun has declared no political activity and holds no other Ministerial public appointment.

British Pharmacopoeia Commission appointments

The following members have been re-appointed to the British Pharmacopoeia Commission (BPC) with effect from 1 January 2014 for two years:

- Professor Donald Cairns (pharmacy and pharmaceuticals)
- Mr Barry Capon (lay member)
- Dr Graham Cook (pharmaceutical development)
- Professor Alexander (Alastair) Davidson (pharmaceutical chemistry)
- Mr Christopher Goddard (drug quality control)
- Dr Brian Matthews (pharmaceutical regulatory affairs)
- Dr Lincoln Tsang (biological and biotechnological products)
- Mrs Josephine Turnbull (lay member)
- Professor Elizabeth Williamson (pharmacy, herbal medicines)

Their appointments will continue to involve a time commitment of three one-day meetings per year. Remuneration for the role will continue to be at a rate of £325 for preparation and attendance at each meeting.

These appointments are made in accordance with the Code of Practice for Ministerial Appointments to Public Bodies, issued by the Commissioner for Public Appointments. All appointments are made on merit and political activity played no part in the selection process. However, in accordance with the original Nolan recommendations, there is a requirement for appointees' political activity (if any declared) to be made public. None have declared any political activity and none hold any other Ministerial public appointments.

Chair and Member appointments to the Human Tissue Authority

Baroness Warwick's term as Chair of the Human Tissue Authority (HTA) has been extended from 17 January 2014 until 31 March 2014. The appointment will continue to involve a time commitment of three days per week. Remuneration for the role will remain at a rate of £42,000 per annum.

Four members of the Human Tissue Authority (HTA) have also been re-appointed: Professor Gurch Randhawa, Rosie Glazebrook, Professor Susan Dilly and Suzanne McCarthy with effect from 1 July 2014 until 31 March 2016. A fifth member and Chair of the Audit and Risk Assurance Committee, Catharine Seddon has been re-appointed with effect from 5 May 2014 for two years.

In addition, two HTA members terms have been extended from 5 May 2014: Pamela Goldberg and Jodi Berg for a period of up to six months or until a new member is appointed, whichever is sooner.

The time commitment for all member posts will continue to be two to three days per month. Remuneration for the Chair of the Audit and Risk Assurance Committee will continue to be at a rate of £13,136 per annum and for the members £7,882 per annum.

These appointments are made in accordance with the Code of Practice for Ministerial Appointments to Public Bodies, issued by the Commissioner for Public Appointments. All appointments are made on merit and political activity played no part in the selection process. However, in accordance with the original Nolan recommendations, there is a requirement for appointees' political activity (if any declared) to be made public. None have declared any political activity and none hold any other Ministerial public appointments.
