Dear Mr Bunten,

Thank you. Please could you make the inspector aware that despite being a B road the B6045 is a designated lorry route and is used as such by vehicles going to/from the A1- so he should not assume that these lorries will only be using A roads to the site. Local residents have tried in the past to try and get the B6045 closed to HGV's but have been unsuccessful.

In response to a residents petition the relevant Notts County Council Committee report dated 20th Jan 2020 states:

"The B6045 acts as a key east-west route across Bassetlaw, providing a link between Gainsborough and Worksop, and as such it is expected that it will carry HGV traffic. More locally, the road provides access to the A1 for businesses located in the Ranskill and Sutton cum Lound areas".

To reach the B6045 HGV traffic can end up passing through the centre of Blyth (including past the local school).

Regards

Catherine Malcolm

Dear Ms Malcolm

The Inspector has advised me that he'll be visiting the site itself on an accompanied basis and some of the closer receptors. However, he will want to get a better idea of the surrounding area as a whole. As such, he'll be doing this unaccompanied, and it was his intention to visit those places between the site and the A1.

Kind regards

James

James Bunten

Dear Mr Bunten,

Thank you for the link to allow us to follow the inquiry remotely.

Yesterday the inspector advised that he will be carrying out a site visit. Will include the villages between the site and the A1? Soil spillage, dust blowing from the sheeted vehicles or accidents between the site and the A1 could impact the residents of these villages. These lorries will be coming past their homes for the next 10 years (at least) and I do not believe that they are even aware that this is the case.

To that end could you please advise which parish councils are on the consultation list.

Unfortunately, the EA appeals co-ordinator for the inquiry is on leave this week so I am unable to find out anything via that route.

Regards,

Catherine Malcolm

Subject: APP/EPR/636, 651 & 652 - Appeals by FCC Recycling (UK) Ltd and 3C Waste Ltd - Inquiry live stream week 2 link

Dear Sir/ Madam

I refer to the above appeals.

Those wishing to follow live proceedings of week two of the Inquiry, reopening on Tuesday 30 April 2024 at 10am, may do so virtually by clicking on the link below:

[Join the meeting now](#)

Proceedings will open at 10am each day until the Inquiry is closed on or before Friday 3 May 2024.

The Inspector has asked that those persons attending via the above MS Teams link above that wish to participate at the Inquiry should contact [myself](#) or the Environment Agency on: appeals_nps@environment-agency.gov.uk in advance.

Please note you do not need to download anything prior to joining as MS Teams will host the video via your chosen internet browser. Those having issues joining on the day should contact [myself](#) or [the Environment Agency](#).

If you wish to dial in via telephone, please let me know and I can provide the details.

Kind regards

James
