1. The judgment dated 11 September 2024 issued against the respondent is revoked.

**REASONS**

25

1. The reason for the revocation is that the respondent's application that the judgment be revoked, which was made in time, set out the respondent had not received notice of the Final Hearing. Parties, having been given a reasonable opportunity to make further written representations, and the Tribunal, having considered the parties' position, in all the circumstances, concludes that it is in the interests of justice for the Judgment to be revoked in order that parties to be given notice of Final Hearing.
