Notice of such a meeting must comply with sections 308 and 309 of the Companies Act 2006. The notice of every General Meeting will also include a statement informing the Voting Members of their right to appoint a proxy. 34. For the purposes of this Article 34 the “Principal Place” shall be the General Meeting venue at which the Chair is present. In the case of any General Meeting the Council may make arrangements for simultaneous attendance and participation in the meeting by Voting members, proxies and other attendees at places other than the Principal Place, irrespective of the fact that the Principal Place shall be specified in the notice of the meeting.

Such arrangements may include limits on the number of people who may attend at any of the venues, provided that the arrangements will allow any invited attendee who is excluded from one venue to attend at one of the other places. For the purpose of all other provisions of these Articles, any such meeting shall be treated as being held and taking place at the Principal Place.

The Council may make such arrangements as it considers appropriate for the purposes of facilitating the organisation and administration of such a meeting. Such arrangements may involve the issue of tickets (on a basis intended to afford all persons entitled to attend the meeting an equal opportunity of being admitted to the Principal Place) or the imposition of some random means of selection. The entitlement of any person to attend a General Meeting at the Principal Place shall be subject to such arrangements as may be for the time being in force whether stated

in the notice of the meeting or notified to the attendees concerned subsequent to the provision of the notice.

BUSINESS TRANSACTED AT GENERAL MEETINGS

35. The business of an Annual General Meeting shall be to receive and consider the accounts and balance sheet, and the reports of the Council and of the Auditors, and to receive the results of elections to Council held in accordance with Article 55, and to the extent required by law to fix the remuneration of the auditors or to authorise the Council to fix the remuneration of the auditors.
36. A Voting Member may propose any resolution to an Annual General Meeting in the following manner:-

 - (b) the resolution must be supported by not less than five Voting Members in writing; and
 - (c) the resolution may be supported by a statement of not more than 500 words which, if submitted to the Secretary in the time specified in Article 36(a), shall be sent to Voting Members with the Notice of the Annual General Meeting.

QUORUM FOR GENERAL MEETINGS

37. No business shall be transacted at any General Meeting unless a quorum is present.
38. Three persons who are Voting Members personally present and entitled to vote shall be a quorum for the choice of a chair for a General Meeting, if required under Article 41 in the absence of the Chair of Council and for a resolution adjourning a General Meeting.
39. For all other purposes the number required to form a quorum for a General Meeting shall be twenty Voting Members personally present and entitled to vote. If an electronic meeting is held or Voting Members are given the option to access a meeting electronically, a person shall also be considered present if they have electronically accessed the meeting, are able to hear the chair of the meeting speak and have the ability to vote on any resolutions at the meeting.
40. If within half an hour from the time appointed as the start for a General Meeting a quorum is not present, or if during a General Meeting a quorum ceases to be present, the General Meeting shall be adjourned to such time and place as Council shall decide. If at such adjourned General Meeting a quorum is not present, those Voting Members who are present and entitled to vote shall be a quorum and may transact the business for which the General Meeting was called. No notice of any adjourned meeting need be sent out to any member.

CHAIRING OF GENERAL MEETINGS

41. The Chair of Council shall be entitled to take the chair at every General Meeting. If there is no such Chair or they are not present within 15 minutes after the appointed start time for the General Meeting or is not willing to take the chair then:
- (a) The Chair Elect or Past Chair may take the chair; or
 - (b) if the Chair Elect or Past Chair is not present or declines to take the chair, the Voting Members present and entitled to vote shall choose another member of Council to chair the General Meeting; or
 - (c) if no member of Council is present or all members of Council present decline to take the chair, the Voting Members present and entitled to vote shall choose one of their number or the President of the College to chair the General Meeting.

VOTING AND DECISION MAKING AT GENERAL MEETINGS

42. Every resolution put to a General Meeting shall be decided by a show of hands unless before, or on the declaration of the result of, the show of hands, a poll is duly required. Subject to the provisions of the Companies Acts, a poll (i.e. a written vote) may be demanded:
- (a) by the chair of the General Meeting; or
 - (b) by at least five Voting Members present in person or by proxy and entitled to Vote

provided that no poll may be demanded on the election of a chair for a General Meeting or on a resolution to adjourn a General Meeting.

43. On a show of hands every Voting Member present in person or by proxy shall have one vote. On a poll every Voting Member present in person or by proxy shall have one vote. In the case of an equality of votes the chair of the General Meeting shall, both on a show of hands and on a poll, have a second or casting vote.
44. Any Voting Member who owes monies to the College whether in respect of an annual subscription or instalment thereof or otherwise, shall not be entitled to be present at a General Meeting or vote on any resolution, either personally or by proxy, including on a show of hands or on poll.
45. Unless a poll is duly demanded, a declaration by the chair of a General Meeting that a resolution has been carried, or carried by a particular majority, or lost, or not carried by a particular majority, and an entry to that effect in the minutes of the General Meeting shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour or against such resolution.
46. A demand for a poll may, before the poll is taken, be withdrawn but only with the consent of the chair of the General Meeting. A demand so withdrawn shall not invalidate the result of a show of hands declared before the demand was made. If a poll is demanded before the declaration of the result of a show of hands and the demand is duly withdrawn, the General Meeting shall continue as if the demand had not been made.

47. A demand for a poll shall not prevent the continuation of a General Meeting for the transaction of any business other than the resolution on which the poll was demanded and shall be taken immediately.
48. No objection shall be made to the validity of any individual vote except at the General Meeting or poll at which such vote is cast, and every vote not disallowed at such meeting or poll shall be deemed valid. The chair of the General Meeting shall be the sole and absolute judge of the validity of every vote tendered at any meeting or poll demanded thereat.
49. The chair of a General Meeting may, with the consent of the meeting, adjourn the same from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting at which the adjournment took place.

APPOINTMENT OF PROXIES

50. The appointment of a proxy shall be in writing signed by the Voting Member making the appointment or a duly authorised attorney for such Voting Member in the format as indicated in the By-Laws.
51. Any person may be appointed as a proxy including any person who is not a Voting Member.

ELECTRONIC MEETINGS

- 51A.1 The Council may decide to hold a general meeting including an Annual General Meeting either as physical meeting, an electronic meeting (virtual meeting) or a combination of the two (a hybrid meeting).
- 51A.2 Where electronic access to a general meeting is permitted the access must be via suitable electronic means agreed by the Council, and Voting Members accessing the meeting electronically must be able to hear the chair of the meeting speak and have the ability to vote on any resolutions at the meeting in order to form part of the quorum. For the avoidance of doubt, members shall be entitled to vote at general meetings (whether hybrid or virtual only) in real time i.e. at the general meeting itself.
- 51A.3 Where an electronic only meeting is to be called the College shall not be required to specify in the notice of the general meeting the place of the meeting, but it must provide sufficient information to allow Voting Members to access the meeting.
- 51A.4 If, after the sending of notice of a general meeting but before the meeting is held, or after the adjournment of a general meeting but before the adjourned meeting is held (whether or not notice of the adjourned meeting is required), the Council decides that it is impracticable or unreasonable to hold (i) the physical meeting at the declared place or (ii) the electronic meeting on the electronic platform specified in the notice, and/or at the specified date and/or time, or the Council decides that it is more appropriate, it may change the place and/or electronic platform and/or postpone the date and/or time at which the meeting is to be held. If such decision

is made, the Council may then change the place and/or the electronic platform and/or postpone the date and/or time again and if it decides that it is reasonable to do so.

- 51A.5 All resolutions put to the Voting Members at electronic general meetings shall be voted on by a poll. Such poll votes may be cast by such electronic means as the Council in its sole discretion deems appropriate for the purposes of the meeting.
- 51A.6 All other provisions set out in these Articles in respect of the calling and holding of the general meeting, to include but not limited to, the quorum for the meeting, proxy voting, chairing of the meeting and the procedures to be followed at electronic only or hybrid meetings shall still apply save as amended by Article 51A.
- 51A.7 If a Voting Member, due to technological failings, is unable to attend a general meeting electronically or is only able to attend part of the general meeting, this shall not invalidate the meeting. The chair of the meeting shall however have the discretion to adjourn the hybrid or electronic meeting if such technological failings in their opinion substantially affect the holding of the meeting. All business conducted at the general meeting up to the time of adjournment shall be valid. If the meeting is so adjourned the Council shall determine the new date for the meeting.
- 51A.8 The Council may make any arrangement and impose any requirement or restriction as is necessary to ensure the identification of those taking part in any electronic or hybrid general meeting and the security of the electronic communication and which is proportionate to those objectives. In this respect the Council is able to authorise any voting application, system or facility for electronic meetings as it sees fit.
- 51A.9 The Council may take reasonable measures and may make such By-Laws as it deems necessary, relating to the holding of electronic and hybrid general meetings from time to time. Such By-Laws may include, but are not limited to including, provisions relating to etiquette and communication in meetings and voting in meetings.

Subject to the provisions of these Articles retiring Council members shall be eligible for re-election for a further two terms of three years provided that as from the College's 2020 Annual General Meeting such eligibility for re-election shall not apply to those persons who have served more than three terms in total or nine years in total, whichever is the greater. For the purposes of this Article 53 a "term" shall be

deemed to be three years and a “year” shall be the period between one Annual General Meeting and the next Annual General Meeting. For the avoidance of doubt, any person who has as at the 2020 AGM already served three terms on Council will serve out the remainder of their office before retiring from the Council. Furthermore, for the avoidance of doubt, any time served by a Council member prior to the date of adoption of these Articles on 7 July 2022 shall count when calculating when a Council member is due to retire.

54. For the avoidance of doubt, any time spent as Chair Elect, Chair or Past Chair shall be included when calculating a Council member’s period of office.
55. The following provisions shall apply to the election of new members of Council in place of retiring members or to fill up any other vacancies on Council (subject to the maximum fixed by Article 52) as well as to the re-election of retiring members of Council:
 - (a) the only persons who shall be eligible for election as members of Council shall be Voting Members who comply with the relevant provisions of the By-Laws for being eligible for election;
 - (b) all Voting Members of the College shall be eligible to vote in all elections of members of Council;
 - (c) the elections shall be conducted by ballot in accordance with the Trade Union and Labour Relations (Consolidation) Act 1992 (as amended) and shall take effect as from the close of the next Annual General Meeting; and
 - (d) Council may from time to time make, alter and repeal By-Laws for the purpose of regulating the procedure applicable to such elections.
56. Council shall determine the number of vacancies available on the Council subject to the minimum and maximum numbers given in Article 52.

 - (i) every other year, at the first meeting of Council after the Annual General Meeting, the Council shall appoint one of their number as Chair Elect. This appointment shall take effect from the end of the Council meeting and the appointed person shall hold this post until they cease to do so in accordance with these Articles;
 - (ii) at the end of the first Council meeting after the Annual General Meeting in the year after their appointment as Chair Elect, the Chair Elect shall automatically become the Chair of the Council without a need for a further appointment by the Council members, and shall hold the post of Chair until they cease to do so in accordance with these Articles;
 - (iii) at the end of the first Council meeting after the Annual General Meeting in the second year after they became the Chair, the Chair shall automatically become the Past Chair without a need for a further

- appointment by the Council members, and shall hold the post of Past Chair until they cease to do so in accordance with these Articles;
- (iv) at the end of the first Council meeting after the Annual General Meeting in the year after they became the Past Chair, the Past Chair shall automatically cease to be the Past Chair, but shall remain on the Council until they cease to be a Council member in accordance with these Articles.
- (b) Subject to the provisions of the Trade Union and Labour Relations (Consolidation) Act 1992 (as amended), a Council member who holds the post of Chair Elect or Chair need not retire and stand for re-election under Article 53 while holding such a post, unless this will cause them to be on the Council for more than five years without being re-elected. Where this is the case, they must retire and may be re-elected to the Council in accordance with these Articles. If a person is appointed as the Chair prior to the end of their ninth year of service as a Council member they shall be entitled to complete their term in such officer role (and then as Past Chair) irrespective of their maximum period of office as a Council member subject to the provisions of these Articles. - (b) In the event that a Council member ceases to hold the post of Chair Elect before the end of the term specified in Article 57(a), the Council shall select one of their number to replace them for the remainder of their term as Chair Elect. That person shall then go on to become Chair and subsequently Past Chair in accordance with Article 57(a) as if they had served a full term as Chair Elect.
 - (c) In the event that a Council member ceases to hold the post of Chair before the end of the term specified in Article 57(a) they shall be replaced by the Chair Elect or the Past Chair, as relevant in that year, for the remainder of their term as Chair. Subject to the Companies Acts, Council may decide to purchase and maintain insurance, at the expense of the College, for the benefit of members of Council or committees appointed by Council and any other officers for the time being of the College in respect of any loss or expenditure which has been or may be incurred by them in connection with their duties powers or responsibilities in relation to the College.
