Criminal Injuries Compensation Overseas (CICO) Application Form

The CICO Scheme is an evidence-based scheme, and the decisions are made using the balance of probabilities burden of proof. This means that the Claims Officer needs to be satisfied that it is more likely than not that a violent crime was responsible for the injury, and more likely than not that the claimant was blameless in the incident.

This application will not normally be processed until any disciplinary or other action arising out of the incident has been completed and confirmed.

Where the victim is a member of HM Forces complete all sections **except** parts **2, 8 & 9**.

Where the victim is a dependant of the member of HM Forces complete all sections.

Any applications should be submitted as soon as reasonably practicable after the claimed incident, and in any event within two years after the date of the incident. Exceptional circumstances will be considered.
