Aspect	Details
Images	No image available.
PSD Number	2409-0121
Product Type	Hobby / sports equipment – Bicycle Components
Product Identifiers	Brand: Salsa Sales period: The affected products were sold from 2023 onwards. Please refer to Annex A on page 2 for full details on the affected products.
Product Description	Various sizes of Salsa Rangefinder Deore 12 29 bicycles in tan colour.
Country of Origin	United States
Counterfeit	No
Risk Level	Not provided
Risk Type	Injuries
Risk Description	<p>The affected products present a risk of injuries as it has been identified that an in-line brake specification change to include Promax brakes has resulted in the brake rotor and specified brake pad not being compatible. As a result, the brakes may not function properly, potentially leading to the user falling or injuring themselves.</p> <p>The affected bicycles do not meet the requirements of the General Product Safety Regulations 2005.</p>
Corrective Measures	<p>The affected products have been recalled from end users.</p> <p>Affected consumers are advised to contact their place of purchase to get the brake pads replaced on their bicycle.</p> <p>For further information, please access the Lyon Equipment webpage at the following link: https://www.lyon.co.uk/product-notice.</p>
