

**2024 No. 0000**

**RETAINED EU LAW REFORM**

**ELECTRICITY**

**The Electricity Capacity Mechanism (Amendment) Regulations  
2024**

<i>Sift requirements satisfied</i>	2024
<i>Made</i> - - - -	2024
<i>Laid before Parliament</i>	2024
<i>Coming into force in accordance with regulation 1(2)</i>	

The Secretary of State makes these Regulations in exercise of the power conferred by section 14(1) of the Retained EU Law (Revocation and Reform) Act 2023 (“the 2023 Act”)(a).

The Secretary of State is a relevant national authority for the purposes of section 14(1) of the 2023 Act(b).

The requirements of paragraph 6(2) of Schedule 5 to the 2023 Act (relating to the appropriate Parliamentary procedure for these Regulations) have been satisfied.

**Citation, commencement and extent**

1.—(1) These Regulations may be cited as the Electricity Capacity Mechanism (Amendment) Regulations 2024.

(2) These Regulations come into force 24 days after the day on which they are made.

(3) These Regulations extend to England and Wales and Scotland.

**Amendment of Regulation (EU) 2019/943 of the European Parliament and of the Council of 5 June 2019 on the internal market for electricity (recast)**

2. Regulation (EU) 2019/943 of the European Parliament and of the Council of 5 June 2019 on the internal market for electricity (recast)(c) is amended in accordance with regulations 3 to 7.

3. In Article 2 (definitions), in the definition of “capacity mechanism”, omit “temporary”.

4. In Article 20 (resource adequacy)—

(a) in paragraph 3, omit the first sentence;

---

(a) 2023 c. 28.

(b) The term “relevant national authority” is defined in section 21(1) of the Retained EU Law (Revocation and Reform) Act 2023.

(c) EUR 2019/943, as amended by S.I. 2020/1006 and S.I. 2020/1470.

- (b) omit paragraphs 6 and 8.
- 5. In Article 21 (general principles for capacity mechanisms)—
  - (a) in paragraph 1, omit “as a last resort”;
  - (b) omit paragraph 3;
  - (c) in paragraph 4, omit “have”;
  - (d) omit paragraphs 7 and 8.
- 6. In Article 22(1) (design principles for capacity mechanisms), omit point (a).
- 7. In Article 24(1) (resource adequacy assessments)—
  - (a) omit “national” in the first three places it occurs;
  - (b) omit the third subparagraph.

## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations revoke provisions of Regulation (EU) 2019/943 of the European Parliament and of the Council of 5 June 2019 on the internal market for electricity (recast) (EUR 2019/943) which relate to resource adequacy in the electricity sector, in particular capacity mechanisms. The Capacity Market, established under Chapter 3 of Part 2 of the Energy Act 2013 (c. 32) is a capacity mechanism. EUR 2019/943 is secondary assimilated law within the meaning of section 12(2) of the Retained EU Law (Revocation and Reform) Act 2023 (c. 28).

Regulation 3 amends the definition of “capacity mechanism” to remove the reference to such measures being temporary.

Regulation 4 revokes the requirements for the Secretary of State to prepare an implementation plan following an assessment of a resource adequacy concern, to monitor the implementation plan and to adhere to it on an ongoing basis.

Regulations 5 and 6 revoke requirements that Great Britain’s Capacity Market must be of a temporary nature and approved for no longer than 10 years. These regulations also revoke requirements to consider the use of a strategic reserve ahead of other types of capacity mechanism, to include provision to phase out the capacity mechanism and to adhere to the implementation plan.

Regulation 7 revokes provisions which are no longer required following the United Kingdom’s withdrawal from the European Union.

A full impact assessment has not been produced for this instrument as no, or no significant, impact on the private, voluntary or public sector is foreseen. The Capacity Market was subject to a full impact assessment when it was first introduced.
