

Shanklin Chine MR2- IOW-MR2-S004 and IOW-MR2-S005a

In January 2024, the IoW Council Rights of Way team informed us that they closed the footpath through Tower Gardens because of a landslip. The IoW Council instructed Island Roads to conduct a highways assessment to assess the suitability of aligning the ECP along Everton Lane. It has been deemed safe for the public to use. They have also decided it is safe to align through Tower Gardens. There are no additional landowners that are affected.
