Nationality - holder of a British passport

To whom it may concern,

A British passport clearly shows the nationality type of the holder on the data page. British embassies, high commissions or consulates are not able to provide an additional letter or certificate confirming the nationality type or status of a British national.

The holder of a passport that describes the holder as a British Citizen or a British Overseas Territory Citizen should be freely admitted to the United Kingdom and does not require a visa, entry clearance or other entry permit.

This information contained in this Note is general and should not be taken as a definitive statement of law nor legal advice. Any legal advice required should be obtained independently.
