### EXPLANATORY NOTE

*(This note is not part of the Approval)*

Section 20 of the Road Traffic Offenders Act 1988 (as amended) provides for the admissibility in evidence of records from prescribed devices. Such devices must be of a description prescribed by the Secretary of State and of a type approved by him for the purposes of that section. By the Road Traffic Offenders (Prescribed Devices) Order 1993 (S.I.1993/1698), the Secretary of State prescribed devices designed or adapted for recording a measurement of the speed of motor vehicles activated by means of sensors or cables on or near the surface of the highway. This approval approves as from 11th March 1994 for the purpose of the detection of speeding offences the type of device known as the **Traffiphot "S"** Speed Detection Device.
