Windrush Compensation Scheme Close Family Claim Form

Who can claim using this form?

You should use this form if you meet the conditions in section 1.1 and your life has been affected as a close family member of a primary claimant who could not prove their lawful status in the United Kingdom (UK).

If you are the primary claimant, you should use the Windrush Primary Claimant Form.

If you are representing the estate of someone who would have been eligible for compensation, you should use the Windrush Deceased Estates Form.

About this form

This claim form is for one person only. Compensation scheme caseworkers will use it to decide whether you are eligible for and entitled to compensation. Please use the guidance notes that come with this form when filling it in – they will help you understand the terms we use and how best to fill in the form. If you are unable to answer a question, please do not worry.

If you cannot fit all the information you want to give us on the form, you can send us extra pages.

Minimum amount of information required

There is a minimum amount of information that we need for your claim. This means that you must:

- fill in your personal details in section 2;
- provide information about the person linking you to the scheme;
- make a claim for compensation in one or more categories;
- fill in section 4: Compensation;
- fill in the declaration page and make sure you sign your claim form; and
- provide, in a format we accept, evidence to confirm your identity and address (see section 2).

If you do not provide this information, we will contact you to ask for it. This may delay your claim.

If you still do not provide this information after we contact you, we will not be able to take your claim further.

Documents to support your claim

If you can give us the information and evidence we ask for, it will help us decide your claim for compensation. **However, if you don't have any evidence for a particular category, please don't worry as we will try to help you to get this.**

Do not send us original documents. Only send us photocopies or scans of your documents. If we need to see an original document, we will ask you to send it to us and we will return it to you by secure post.

We suggest that you do not pay anyone else to get documents. If you think a document someone else has will support your claim but they will charge you for it, mention this on your claim form. If we need the document to support your claim, we will contact the person to get it for you, if you agree to this.

If you experienced any mental or physical health problems because of issues relating to the primary claimant proving their lawful status, but you did not speak to a doctor or other healthcare provider about these problems, please tell us this in part 2a of section 4 in the claim form. **If we need more information, we will speak to you about how we might be able to get it.**
