

Application to register a standard bus service in England and Wales: Supplementary Form – request for short notice

About this form

You should use this form with the registration form [PSV350](#) or the cancellation and changes form [PSV355](#) in all cases where the period of notice is less than the required notice period (42 days in England or 56 days in Wales).

You should provide a letter of support from the local authority. This will be taken into account with your application.

If you wish to vary the timetable for all or part of the week which includes 24 December, Christmas Day, Good Friday or any bank holiday, a formal variation is not required. You must serve a notice of intent on the Traffic Commissioner 21 days before the variation is to take effect. You can email details of the service effected and relevant days to: bus-registrations@otc.gov.uk

Do not send to the [Office of the Traffic Commissioner](#) on its own.

Further guidance on local bus services can be obtained here:

The [Guide to local bus service registration](#) will also help you to complete your application.

If you are registering a service in England please read [Guidance on notifying a local authority of a bus service](#).

Please refer to the [Senior Traffic Commissioner's Statutory Document on PSV Operations](#) for further information.

Giving false information or modifying the application form is an offence and could lead to prosecution. It could also result in your vehicle(s) being impounded.

- (a) **register** or **vary** a service (or part of a service) which will be substantially similar to and replace a service (or part of a service) which has ceased or is ceasing to operate;
(Please provide the name of the operator and registration reference of the discontinued service below)

- (b) **vary** or **cancel** the registration of a standard service which is either not available to members of the general public or not regularly used by them;
(e.g. works or school services)
- (c) **vary** or **cancel** the registration of a service in response to representations from an authorised person (a traffic authority or a chief officer of police) on a matter concerning road traffic regulation or road safety;
(If this option is selected please enclose evidence e.g. a copy of a letter from the traffic authority or police)

- (d) **register** the particulars of a new service or **vary** the registration to augment an existing service in order to provide a service for a period not exceeding 21 days, in connection with a specified event or occasion which will cause an additional demand for a service;

- (e) **vary** a registration by adjusting the timetable without significantly affecting the level of the service provided, and the adjusted timings are either—
 - (i) no more than 10 minutes earlier or later than those in the registered timetable, or
 - (ii) required to adapt the service to a variation in a connecting rail, ferry or air service;

(If (ii), a connecting service, please provide details of the service below)

- (f) **vary** the registration during a period not exceeding 14 days in response to public holidays restricted to the relevant locality or holidays taken by a substantial proportion of the population in that locality;
(Please provide details below)

- (h) where, due to circumstances which were not reasonably foreseen, you failed to make an application in sufficient time for the period of notice;
(commercial decisions will not normally be accepted, please provide details of the unforeseen circumstances below)

- (i) **register** or **vary** a registration in order to meet an urgent and exceptional public passenger transport requirement.
(Please provide details of the urgent and exceptional requirement below)
