Reasons for Refusal**

We are not satisfied that you have taken the appropriate steps to avoid any pollution risk/
return the site to a satisfactory state.

1. It has not been demonstrated, through waste acceptance records, that the waste accepted was inert and is not presenting a risk.
2. It has not been demonstrated that there is relevant environmental monitoring at the site - in particular, with respect to:
 - Groundwater monitoring.
 - Gas monitoring on the southern perimeter.
