Terms of reference

1. In exercise of its duty under section 33(1) of the Enterprise Act 2002 (**the Act**) the Competition and Markets Authority (**CMA**) believes that it is or may be the case that:
 - (a) arrangements are in progress or in contemplation which, if carried into effect, will result in the creation of a relevant merger situation, in that:
 - (i) enterprises carried on by Boparan Private Office Limited (via 2 Agriculture Limited) will cease to be distinct from the enterprise consisting of the Burston and Radstock feed mills carried on by ForFarmers UK Limited; and
 - (ii) the condition specified in section 23(1)(b) of the Act is satisfied; and
 - (b) the creation of that situation may be expected to result in a substantial lessening of competition within a market or markets in the United Kingdom for goods or services, including in the supply of meat poultry feed to third-party customers in a number of local areas and in the downstream supply of poultry meat.
2. Therefore, in exercise of its duty under section 33(1) of the Act, the CMA hereby makes a reference to its chair for the constitution of a group under Schedule 4 to the Enterprise and Regulatory Reform Act 2013 in order that the group may investigate and, within a period ending on 6 May 2025, decide on the following questions in accordance with section 36(1) of the Act:
 - (a) whether arrangements are in progress or in contemplation which, if carried into effect, will result in the creation of a relevant merger situation; and

- (b) if so, whether the creation of that situation may be expected to result in a substantial lessening of competition within any market or markets in the United Kingdom for goods or services.
