Thank you for your email in which you requested the following information under the Freedom of Information Act 2000 (FOIA):

I am writing to request a copy of the decision notice from the SFO adjudicatory hearing in 2004 concerning [redacted], which covers the period from 1987 to 2004. 'Operation Alison' is a specific investigation, and I am particularly interested in the detailed findings related to this case published 2004. I understand this jailed ten men involved with this crime.

Additionally, I seek clarification on how the 21,500 names involved in this case were obtained. Furthermore, does this situation imply that 8% compound interest may be incorrectly applied to people's property?

Response

The SFO does not hold this information as this case falls outside of our retention period.
