Report Published: 28th October 2024

## INTRODUCTION

HM Inspectorate of Prisons (HMIP) and HM Inspectorate of Probation for England and Wales are independent inspectorates which provide scrutiny of the conditions for, and treatment of prisoners and offenders. They report their findings for prisons, Young Offender Institutions, and effectiveness of the work of probation, and youth offending services across England and Wales to Ministry of Justice (MoJ) and His Majesty's Prison and Probation Service (HMPPS). In response to the report HMPPS / MoJ are required to draft a robust and timely action plan to address the priority and key concerns. Action plans provide specific steps and actions to address the priority and key concerns, that are clear, outcome focussed, measurable, achievable, and relevant with the owner and timescale of each step clearly identified. Action plans are sent to HMIP and published on the GOV.UK website. Progress against the implementation and delivery of the action plans will also be monitored and reported on.
