Liothyronine Sodium 5 micrograms Tablets

PL 13606/0275

SNOMED Code: 42475111000001106

Batch No	Expiry Date	Pack Size	First Distributed
EH24LIE001	08/2026	28 Tablets	Not yet distributed

Active Pharmaceutical Ingredient: liothyronine sodium

Brief description of the problem

Strides Pharma UK Ltd has informed MHRA of an error in the patient information leaflet (PIL) for Liothyronine Sodium 20 micrograms Tablets and Liothyronine Sodium 5 micrograms Tablets. The PIL incorrectly states the product name under section 5, the PIL should state 'How to store Liothyronine Tablets' but is written as 'How to store Levothyroxine Tablets'.

Advice for healthcare professionals

There is no impact on the product quality and the healthcare professionals should continue prescribing the medicine. This is a typographical error in one section of the PIL only, all other labelled information is correct.

Advice for patients

Patients should continue to take medicines from these batches as prescribed by your healthcare professional. This is a typographical error in one section of the PIL only, all other labelled information is correct.

If you experience any unexpected side effects or adverse reactions, these should be reported via the MHRA Yellow Card Scheme at <https://yellowcard.mhra.gov.uk>.

Further Information

Medicines & Healthcare products Regulatory Agency

For medical information enquiries please contact Strides Pharma UK Ltd via email dl-drugsafety@strides.com or telephone +919844460742
