Subject: RE: S62A/2024/0063 Cotham School, Cotham Lawn Road, Cotham, Bristol

Dear Leanne,

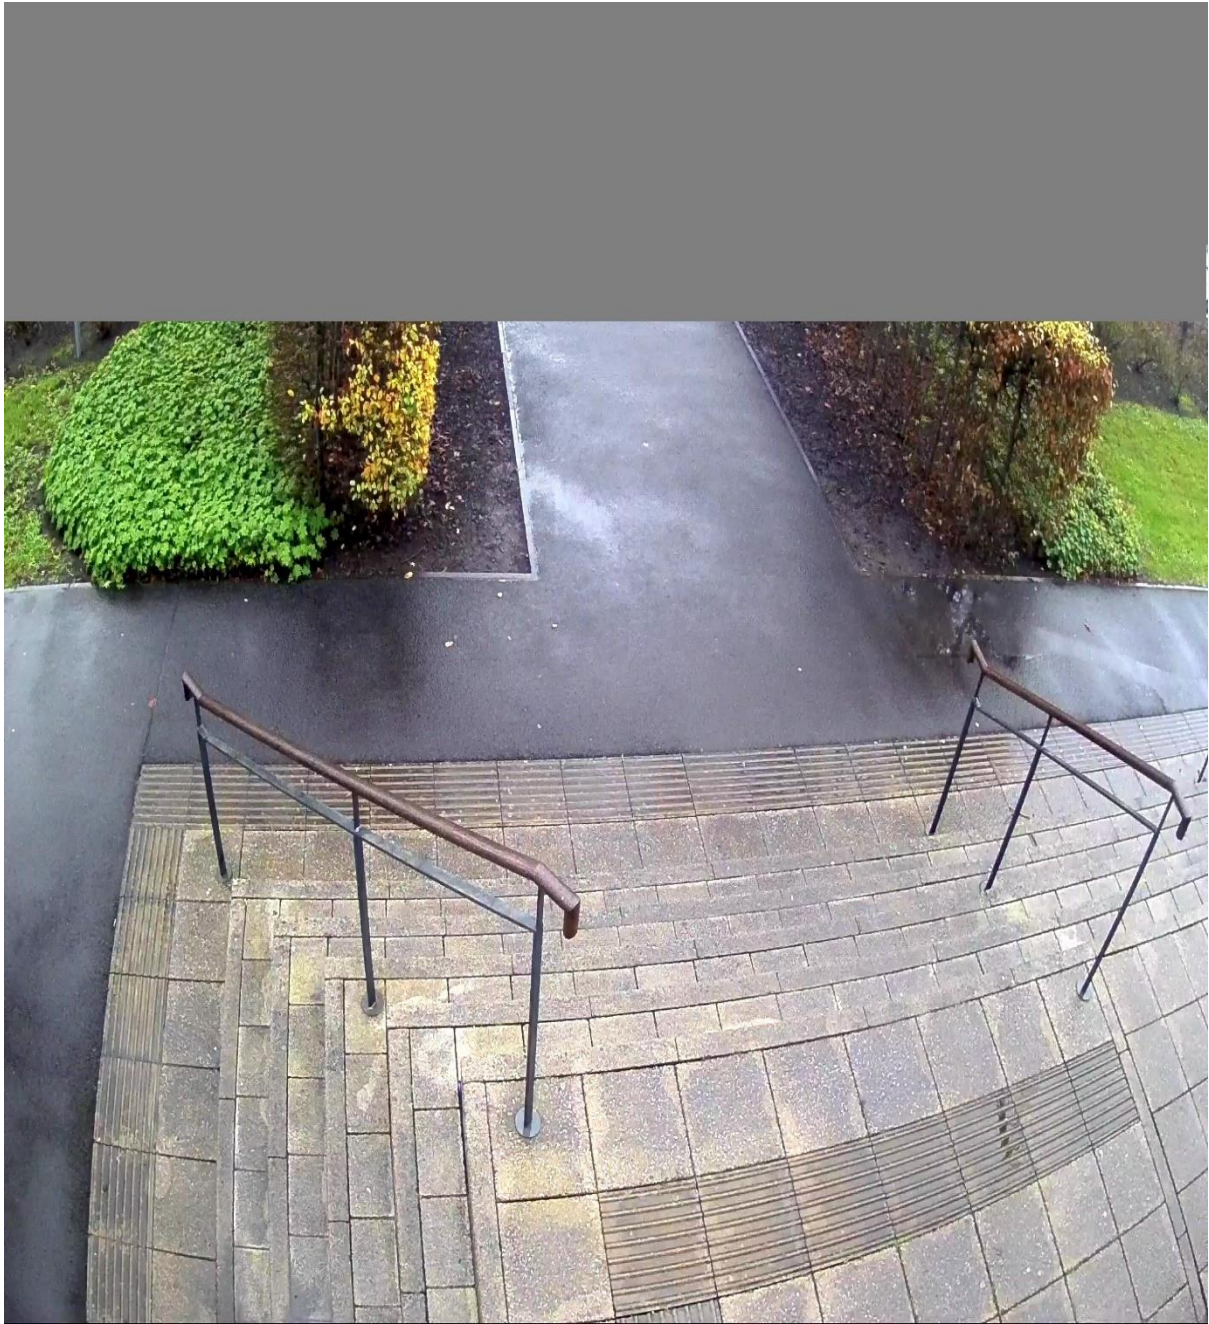

Thank you for your email, we look forward to hearing from the Inspector in due course.

We note that no comment has been received from Bristol City Council. Is one expected?

Additionally, we have reviewed the comments made by members of the public, and we note that a large majority of these relate to the potential impact on privacy.

After submission of the application, our client made us aware that the CCTV cameras in use at the school are equipped with a privacy screen feature. This feature ensures that areas outside of the school's boundary are obscured to protect the privacy of neighbours and passers-by. (Please see the photo below which shows the privacy screen in operation).

If any further information or comment would be helpful to the Inspector please let us know.

Kind Regards,

Elliott Paddon
