EXTENDED REASONS

Background

1. Following an objection from the tenant to the determination of a fair rent by the Rent Officer, the Tribunal has made a determination under the provisions of the Rent Act 1977.

Inspection

2. The Tribunal did not inspect the property but considered this case on the basis of the documentary evidence only.

Evidence

3. No written submissions were received from the landlord. The tenant filed written submissions, which made reference to other rent being paid for properties in the same road. However, these comparables did not provide the Tribunal with any assistance because the particulars for these properties were not known. Therefore, the Tribunal was unable to determine if they were relevant and attached no weight to this evidence.

Determination and Valuation

4. Having consideration of our own expert, general knowledge of rental values in the area of Haringey, we consider that the open market rent for the property in its current condition would be in the region of £475.00 per week.

5. From this level of rent we have made global adjustments in relation to:

For the tenant's floor coverings, curtains, white goods, the tenant's internal decoration obligation under the terms of the tenancy and the absence of double glazing totalling 20%.

7. After deducting the amount for services, the Tribunal has also made an adjustment for scarcity.

8. The full valuation is shown below:

Market Rent		per week £475.00

<i>Less</i>

Fair rent		£304.00

9. The Tribunal determines a rent of £304.00 per week.

Decision

8. The rent has been capped under the provisions of the Rent Acts (Maximum Fair Rents) Order 1999 as it is above MFR of £215.50 per week.
