Response

Following the announcement of His Majesty The King's Royal Cypher in 2022, we will be updating our products with the new Royal Coat of Arms and Tudor Crown gradually. The Royal Household and Government direct that these changes are made on a no cost and low-cost basis, minimising any waste or unnecessary expenditure. We can confirm that the SFO are updating products according to the principles set out by the Cabinet Office.

Please see below our response to your questions in the order asked.
