Where the status is shown as **Granted** you can select the application to create and assign defined CoS.

You cannot create and assign CoS that have been reclaimed or returned.

Choose **Next** to continue or choose **Back** to return to the previous screen.

- 4 From the **Create a CoS** screen, enter the migrant's details and select **Save**.

**Create a CoS**

Fields marked with an asterisk (\*) are mandatory and must be completed to assign a CoS. Some optional fields will become mandatory when associated fields are populated, for example it is not mandatory to give details of an agent used to source a migrant unless you tick the box to say that an agent has been used.

**When assigning an ISC liable CoS** the fees generated will match your organisation's circumstances. For example: for a small organisation the ISC will be calculated based on the low rate. If the ISC fee is charged at the incorrect rate it is because the wrong fee was paid for your licence application, licence renewal application, or to add a route (previously referred to as "tier") to your licence; or your organisation's circumstances have changed. If the ISC is charged at the incorrect rate you must report this using the change of circumstances facility within the SMS. If a change request is accepted, this will allow over or under payment of the ISC since the reporting date to be rectified.

To save the CoS choose **Save**. If you do not want to save the changes choose **Cancel**. Ensure you save your data regularly, as your session will time out after 20 minutes of inactivity.

**The initial sections are the migrant's details. Where applicable, complete the personal information as shown in their passport.**

In this statement, a reference to an 'application' for a Certificate of Sponsorship (CoS) includes an application for a defined CoS for a Skilled Worker, or a request to assign a CoS to a worker on any of the Worker or Temporary Worker routes.

- a. The information I have given in this online application is complete, accurate and true to the best of my knowledge.
- b. I will inform you without delay if there is a material change in my circumstances or new information relevant to this application becomes available before this application is decided or before the CoS is used to support an application for entry clearance or permission to enter or stay.
- c. I agree to co-operate with your officials when they are carrying out checks in connection with this application.
- d. I understand that if I knowingly make any false representations in this application, action will be taken against me, which could lead to my sponsor licence being revoked.
- e. I understand that it is an offence under section 25 of the Immigration Act 1971 to do an act which facilitates a breach or attempted breach of immigration law, or if I know or have reasonable cause to believe that it may so facilitate.
- f. I understand that if I am applying for a defined CoS for a Skilled Worker, and my application is granted, I must only use the CoS to fill the role described in the application for that defined CoS.
- g. The salary I will pay to any worker filling the role described on the CoS must be at least the salary stated in this application, unless I notify the Home Office of any change to the salary, and:
  - in the case of a Skilled Worker, they would still score at least 70 points under the Immigration Rules for Skilled Workers after the change in salary;
  - in any other case, the revised salary continues to meet any minimum salary requirement specified in the Immigration Rules or sponsor guidance for the relevant route.
- h. If the worker will be applying for permission on the Skilled Worker route, I have checked the worker's occupation code to ascertain whether it is one to which the overseas criminal records certificate requirement applies and, where it does, I have informed the applicant of their responsibility under this requirement.
- i. The information provided by me to you will be treated in confidence but it may be disclosed to other law enforcement agencies, UK government departments, agencies, local authorities, foreign governments and other bodies for immigration or research purposes and to help them to carry out their functions.
- j. I understand you may ask for or check information from other law enforcement agencies, government departments, agencies, local authorities, the police, foreign governments and other bodies for immigration, research or security purposes or to help you process this application or monitor my ongoing compliance with my sponsor duties.
- k. I agree that you may use the information given in this application for training and research purposes.

I agree to the terms and conditions:
