Part B – Added Pension Quote Request

You are entitled to only **ONE** quote for any financial year. Any additional quotation request will be chargeable in compliance with current legislation.

I want to purchase Added Pension for myself only.

OR

I want to purchase Added Pension for myself and my dependants.

(Must start on the 1st of the chosen future month, and end no later than the following 31st March)

I want this to start on and end on

Please choose **ONE** of the options below

I want to know how much I will receive if I pay £ monthly deductions from my salary. I understand the **minimum amount is £25 per month**; minimum will increase for contracts taken out part way through the year.

OR

I want to know how much I will receive if I pay £ as a one off lump sum. **I understand the minimum amount is £300 per year**

OR

I want to purchase Added Pension of £ and I wish to know how much it will cost me as a monthly deduction or as a lump sum amount.

I have previously purchased Added Pension through another public Service scheme to the value of £

Members who are in scope for Remedy and who have received a refund of Added Pension payments may wish to re-purchase Added Pension with their refund. Because added pension values are calculated on age at purchase, the member's age difference between the original purchase and re-purchase, will now purchase less added pension than previously bought and this will be reflected in the quote you receive.

The exact difference in value will be calculated at the point of re-purchase and automatically paid to you as compensation, but only if you have requested this on the application form.

Please see the MVC Factsheet at: [Your 2015 Pension Remedy Explained](#).
