Product Description	Red and yellow reusable water balloons in a pig design containing high-powered magnets which are easily accessible.
Country of Origin	China
Counterfeit	No
Risk Level	Serious
Risk Type	Injuries and choking
Risk Description	The product presents a serious risk of injuries and choking as when tested, the product broke apart when minimal force was applied, allowing access to the magnets. These magnets were found to have a magnetic flux index greater than the maximum permissible level. Small, high-powered magnetic products can easily be swallowed and, when ingested, have the potential to cause serious internal injuries within the gastrointestinal tract. The product also requires improvement to marking, labelling and documentation. The product does not meet the requirements of the Toys (Safety) Regulations 2011.
Corrective Measures	OPSS has required the recall of the product from end users. Owners should stop using this product immediately and keep it out of the reach of children.
