Subject: CMA consulting on draft new Rules and Guide for water redetermination references
- NRF response

Lauren, all

Many thanks for the opportunity to respond to this consultation.

We have reviewed the draft new rules and guide and welcome their proposed introduction and familiar and consistent format. Our only substantive comment is to note that the draft guide (at paragraphs 2.5 to 2.7) fails to reference Ofwat's new growth duty, which came into force on 21 May 2024 ([Our duties - Ofwat](#)).

We hope this is helpful.

Kind regards,

Susanna
