Subject: RE: S62A/2023/0019 Land to the north of Roseacres, between Parsonage Road and Smiths Green Lane, Takeley, Essex, CM22 6NZ

Dear Leanne

The site for the development proposed through Application: S62A/2023/0019 is not within a Mineral Safeguarding Area, Mineral Consultation Area or Waste Consultation Area.

Essex County Council in its capacity as the Minerals and Waste Planning Authority has no comment to make.

Many thanks
Emma
