<b>Product Description</b>	A set of bed rail bumpers for a toddler's bed sides.
<b>Country of Origin</b>	China
<b>Counterfeit</b>	Unknown
<b>Risk Level</b>	Serious
<b>Risk Type</b>	Suffocation
<b>Risk Description</b>	<p>The product presents a serious risk of suffocation due to the possibility of the user becoming trapped between the rail bumper and the cot side or between the bumper and the cot mattress. If a child under 3 is placed on the cot in between the bumpers and then moves, their face may become pressed between the inflatable part of the product and the mattress or cot side and/or mattress, causing them to suffocate.</p> <p>Additionally, the presence of the attachment straps presents a potential strangulation hazard. The product is stated as being intended for toddlers, but the marketing materials show the product being used by a very young baby.</p> <p>The product does not meet the requirements of the General Product Safety Regulations 2005.</p>
<b>Corrective Measures</b>	The import has been rejected at the border and destroyed
