PSD Number	2412-0049
Product Type	Toys – Slime
Product Identifiers	Item number: 660167 Barcode: 6972613449894
Product Description	A plastic tube of slime with plastic screw lid. The slime is ombre with glitter and is available in various colours designs including purple, green, pink and orange.
Country of Origin	Unknown
Counterfeit	No
Risk Level	Serious
Risk Type	Chemical and choking
Risk Description	<p>The product presents a serious chemical risk as it contains excess concentrations of boron. The sample was found to contain 500mg/kg of boron, which exceeds the maximum permissible concentration of 300mg/kg. Digestion or contact with an excessive quantity of boron may harm the health of children by damaging their reproductive system.</p> <p>Additionally, the product presents a risk of choking as when tested, parts of the slime detached easily, and a hard 'small ball' was a present as a removable component. Both the slime and small ball were able to fit entirely inside of a small parts cylinder, meaning that if a child user were to put the product in their mouths, they may choke. Some of the required documentation and markings were not present.</p> <p>The product does not meet the requirements of the Toys (Safety) Regulations 2011.</p>
Corrective Measures	The goods have been seized from the retail premises and are in safe storage awaiting destruction. Owners should stop using this product immediately. Contact the distributor you purchased from to request redress.
