

P11D Working Sheet 5 Relocation expenses payments and benefits 2024 to 2025

Note to employer

You do not have to use this form but you may find it a useful way to calculate the cash equivalent if you provided relocation expenses payments and benefits for a director or an employee during the year 2024 to 2025 (that is 6 April 2024 to 5 April 2025).

Read the 'P11D Guide' before you complete this form.

If you use this form you must also complete and submit a 'P11D' for each employee and complete and submit online a 'P11D(b) Return of Class 1A National Insurance contributions due'.

'CWG5 (2025) Class 1A National Insurance contributions on benefits in kind' gives more information.

We advise you to keep a copy of each completed Working Sheet as it could help you to deal with enquiries. You do not have to give a copy of the Working Sheet to the director or employee. Do not send a copy to HM Revenue and Customs.

The term employee is used to cover both directors and employees throughout the rest of this form.

Payroll your relocation expense payments and benefits in future tax years to avoid completing P11Ds. For more information, go to www.gov.uk/guidance/paying-your-employees-expenses-and-benefits-through-your-payroll

Cheap or interest-free bridging loans 'made' by the employer

Reminder about relief which may be due:

- there is a taxable benefit where the employer 'makes' a cheap or interest-free loan read the 'P11D Guide', tax guide '480' and 'P11D Working Sheet 4'
- the amount of the taxable benefit may be reduced if the loan in question is a bridging loan made in connection with a qualifying relocation for conditions see tax guide '480'
- this relief will not become due unless the total for all years of all other qualifying benefits is less than £8,000
- it will only become clear whether or not this special relief arises when the relocation has been completed and you know the total of all the other qualifying expenses and benefits
- guidance on the calculation of the relief is set out in tax guide '480'
- in many cases you'll not have enough information to know whether or not this relief is due for the year in which the bridging loan is first advanced we would not, therefore, expect the employer to take this into account when calculating the cash equivalent
- if it appears that the relief will be due, you may wish to advise your employees to contact HM Revenue and Customs to arrange for the relief to be calculated
