| Risk Type                         | Choking  |
| Risk Description                  | <p>The product presents a high risk of choking as small parts are easily detachable. If a young child was left unattended whilst playing with the toy, they may pull at the nose/eyes of the toy causing them to detach. If a young child were to swallow any of these small parts, they could block the child's airway, causing them to choke.</p> <p>The product does not meet the requirements of the Toys (Safety) Regulations 2011.</p> |
| Corrective Measures               | The import has been rejected at the border and destroyed.  |
